

Our Mission

To provide products and services to South Dakota governmental entities, federal agencies, non-profit organizations and state employees. To provide work opportunities for inmates, preparing them for successful return to their communities.

Our workforce consists of civilian employees that supervise specially-trained inmates working in our shops located at the South Dakota State Penitentiary in Sioux Falls, Mike Durfee State Prison in Springfield, and the South Dakota State Women's Prison in Pierre.

We are committed to providing valuable job skills and a positive work experience for our inmate workforce. The skills they learn and work ethic developed will enable them to provide for themselves and their families.
