

## Our Mission

To provide products and services to South Dakota governmental entities, federal agencies, non-profit organizations and state employees. To provide work opportunities for inmates, preparing them for successful return to their communities.

Our workforce consists of civilian employees that supervise specially-trained inmates working in our shops located at the South Dakota State Penitentiary in Sioux Falls, Mike Durfee State Prison in Springfield, and the South Dakota State Women's Prison in Pierre.

We are committed to providing valuable job skills and a positive work experience for our inmate workforce. The skills they learn and work ethic developed will enable them to provide for themselves and their families.

## CUSTOM SIGNS

Give your office or school a professional look with a Custom Sign made with quality materials and backed with aluminum, a durable and lightweight material that is 100% recyclable.

Enhance the appearance of your parking lot with custom signage or recognize top workers with an "Employee of the Month" sign above their designated parking spot.

As with Custom Decals our graphic designers can utilize your own logo or create one to your specifications.

## STANDARD SIGNS

Our Standard Signs inform people about rules, regulations and safety procedures.

Our Standard Signs are produced according to the *Manual on Uniform Traffic Control Devices* and are available using the same materials as the Custom Signs and Decals.

## NEWSLETTER

More information on the products and services available from Pheasantland Industries may be found in our monthly newsletter available on our website.
