School bells ring and the kids are off and running. It is THAT time of year again. Time for booster club activity cards, custom printed posters, and raffle tickets for school fundraisers so please remember our Print Shop for all those special printing needs. We are very excited to be able to offer "High Impact" school logo/mascot decals for football helmets and static cling decals for automobiles and office windows. These are available from our Sign Shop and I think you will like the prices. Please remember to keep an eye out for the kids as they cross the streets and now that school has begun, please slow down in the school zones.
