# I. POLICY

It is the policy of the South Dakota Department of Corrections (DOC) to establish an aftercare supervision program to supervise juvenile offenders in the community who have been conditionally released from a facility, program, Human Services Center, detention center, shelter, group home, group care center, or residential treatment center (See SDCL § 26-11A-12).

# **II. PURPOSE**

The purpose of this policy is to establish the development and delivery of aftercare services for youth under the supervision of the juvenile division of the Department of Corrections.

# **III. DEFINITIONS**

#### **Aftercare Contract:**

An individualized legal contract that establishes the conditions of supervised release.

#### **Case Plan:**

An instrument which identifies assessed needs and individual program directives for an offender to address while under the supervision of the DOC.

#### **Effective Practices in Community Supervision (EPICS):**

The EPICS model assists with development and implementation of case management plans to target the criminogenic needs of higher risk offenders. Juvenile corrections agents (JCAs) use this structured approach in their interactions with moderate, high, and very high-risk offenders. The four components of EPICS are: Check In, Review, Intervention and Homework, and Rehearsal.

#### **Exit Survey:**

A questionnaire given to the juvenile and parent or guardian to provide information to inform work and provide insight to the DOC on how to improve services provided to juveniles and their families.

#### **Juvenile Corrections Agent (JCA):**

A juvenile corrections agent (JCA) is an employee of the DOC responsible for the supervision of juveniles, pursuant to SDCL § 26-11A-12.

### Youth Level of Service/Case Management Inventory 2.0 (YLS/CMI 2.0):

SECTION	SUBJECT	DOC POLICY	Page 2 of 7
Juvenile Community Corrections	Juvenile Services Aftercare and Discharge	1.5.H.4	Effective:
-			06/01/2023

The YLS/CMI 2.0 is a standardized instrument used to assess criminogenic risk factors, need, and responsivity factors in youth and in the formulation of a treatment plan. The YLS/CMI was revised to the 2.0 version by updating the normative sample with a larger offender group, expanding the age range to include 12 to 18 years old and adding more non-criminogenic needs and responsivity considerations to Part III. This version also includes new recommended cutoff scores based on gender and setting.

# **IV PROCEDURES**

#### 1. Development of the Juvenile Aftercare Contract:

- A. The goal of the aftercare supervision program is to equip juveniles with the ability to conduct themselves in a lawful manner and prepare them for discharge from the DOC.
- B. The JCA will develop an individualized *Juvenile Aftercare Contract* through the COMS legal module. A printed version of the contract will be available as an IWP in COMS (see attachment #1) and reviewed with the juvenile, the juvenile's parent/guardian/caregiver, and treatment facility staff (when applicable), at least thirty (30) days prior to the juvenile's scheduled release from placement.
  - 1. The Juvenile Aftercare Contract will be signed by the JCA, the juvenile, the parent/guardian/caregiver and facility representative (when applicable) and maintained in the juvenile's case file.
  - 2. The juvenile cannot move to aftercare unless all of the required signatures are obtained and noted on the Juvenile Aftercare Contract (See SDCL § 26-11A-22).

#### 2. Case Planning:

A. Any juvenile whose YLS/CMI 2.0 assessment results in a score of moderate, high, or very high will have a case plan developed.

#### 3. Screening of Non-Custodial Caregivers:

- A. If a Juvenile Aftercare Contract includes the juvenile residing with a non-custodial caregiver, the JCA must complete a *Guidelines for Home Evaluation* (see attachment #2) and ensure the following background checks are completed:
  - 1. The JCA will also request and obtain the results of a Central Registry screen from the Department of Social Services (See SDCL § 26-8A-13.1).
    - a. The potential non-custodial caregiver(s) must consent to the screening by completing the *Permission to Screen for Reports of Abuse or Neglect* form (See SDCL § 26-8A-13.2 and the DSS website).
      - 1) A DOC juvenile cannot reside in the home of any non-custodial caregiver who refuses to consent to the screen.
      - 2) A juvenile cannot reside in the home of any non-custodial caregiver who has a conviction for child abuse/neglect or a substantiated finding of abuse/neglect against them unless the placement is approved by the director of juvenile services.
  - 2. The JCA will conduct a check on all potential non-custodial caregivers through the National Sex Offender Registry to determine if they are listed as a convicted sex offender (See <u>http://www.nsopr.gov/</u>).
  - 3. These requirements apply to the non-custodial caregiver and everyone else typically residing in the home who is sixteen (16) years of age or older.

SECTION	SUBJECT	DOC POLICY	Page 3 of 7
Juvenile Community Corrections	Juvenile Services Aftercare and Discharge	1.5.H.4	Effective:
			06/01/2023

- B. An approved caregiver with whom a juvenile is residing must notify the DOC if someone moves into the home (may include other dwellings located on the same property at the home) who has not been cleared against the Central Registry and the National Sex Offender Registry.
  - 1. The DOC prefers that notification take place prior to the person moving into the home. However, if the approved caregiver cannot give prior notification, the JCA must be contacted with twenty-four (24) hours of the person taking up residence in the home.
  - 2. The JCA will ensure the required screenings listed in part A of this section are requested within three (3) calendar days and completed as soon as possible.
- C. The DOC does not require a Central Registry screen or a National Sex Offender Registry check if the juvenile is residing with a legal guardian, legal custodian, or biological parent(s).

#### 4. Release to Aftercare:

- A. A juvenile's release from inpatient chemical dependency treatment, group placement or residential private placement to aftercare involves the following steps:
  - 1. The secretary of corrections (SOC) is required to provide notice to the prosecuting state's attorney and the committing court at least fifteen (15) calendar days prior to the juvenile being released back to their jurisdiction (See SDCL § 26-11A-22).
  - 2. The SOC has designated the juvenile's supervising JCA to send the electronic Notice of Conditional Release to the state's attorney and committing court within the specified time frame. This action is generated when the JCA records a proposed conditional release date in the COMS system. Any changes in release dates must be updated in COMS to generate a subsequent electronic notice.
- B. The JCA will finalize the aftercare process prior to release and implement the aftercare contract upon the juvenile's release.

#### 5. Monitoring on Aftercare:

- A. Monitoring of a juvenile by the JCA ensures service referrals are effective or modified when necessary.
  - 1. The JCA is required to make contact with a juvenile on aftercare.
  - 2. Contacts will be documented on COMS.
  - 3. JCAs shall use the EPICS model in their interactions with moderate, high, and very high-risk juveniles.
- B. The JCA will document incidents involving failure to abide by the conditions of the aftercare contract in the COMS Aftercare Violations module. An Aftercare Incident Report form (see attachment #4 *Incident Report* 
  - Aftercare) will be available through the IWP process in COMS.
    - 1. The Aftercare Incident Report will include a description of the incident as well as the action taken to correct the behavior.
    - 2. The action taken may become a supplemental condition of the aftercare contract.
    - 3. The JCA will obtain the juvenile's signature on the aftercare incident report
    - 4. The JCA will keep a copy of the aftercare incident report in the juvenile's file.
- C. Every violation of the aftercare contract will receive a response.
  - 1. Responses will be proportionate to the violation.
  - 2. Refer to DOC Policy 1.6(4).G.3 *Aftercare Supervision & Sanctioning Guidelines* for graduated sanction guideline and incentives matrix.

#### 6. Revocation of Aftercare:

SECTION	SUBJECT	DOC POLICY	Page 4 of 7

- A. A JCA can place a juvenile in custody and begin revocation proceedings only if it is alleged the juvenile has violated a condition of the aftercare contract by committing an eligible offense, as delineated in SDCL § 26-11A-15.
- B. Revocation of the aftercare contract may result in in the juvenile being placed in a group home, private facility, correctional facility, or other approved program/plan.
- C. If the juvenile violates a condition of his/her aftercare, and the violation is one in which revocation is authorized by SDCL § 26-11A-15, the JCA will:
  - 1. Notify the JCA supervisor so that planning for the probable cause hearing may begin.
  - 2. Arrange for temporary detention/shelter location.
  - 3. Complete the Authorization for Temporary Detention or Shelter or Detainer During Aftercare through the IWP process in COMS (see attachment #5).
    - a. The JCA will consult with local law enforcement to apprehend the juvenile.
    - b. Copies of the Authorization for Temporary Detention or Shelter should be provided to local law enforcement and the temporary detention/shelter facility.
  - 4. Prepare an Affidavit of Probable Cause, through the IWP process in COMS otherwise known as a Notice of Probable Cause Hearing (see attachment #6 *Affidavit of Probable Cause*).
- D. A law enforcement officer, the JCA or other authorized personnel will take the juvenile into custody and transport the juvenile to the detention or shelter facility. The JCA must:
  - 1. Verbally notify the juvenile's parent/guardian/caregiver of the temporary detention/shelter.
  - 2. Schedule the probable cause hearing within twenty-four (24) hours (excluding weekends & holidays).
  - 3. Serve the Affidavit of Probable Cause (Notice of Probable Cause Hearing) on the juvenile.
  - 4. Notify the parent/guardian/caregiver orally or by copy of the form, if possible, of the upcoming hearing.
- E. The JCA supervisor or designee will conduct the probable cause hearing within twenty-four (24) hours of the juvenile's placement in temporary detention/shelter.
  - 1. This hearing may be completed telephonically or electronically.
  - 2. The JCA and JCA supervisor will determine the offender's placement while awaiting the revocation hearing. The JCA must:
    - a. Complete the *Aftercare Violation Report* through the IWP process in COMS (see attachment #7).
    - b. Allow the juvenile the opportunity to waive the aftercare revocation hearing and admit to the violation. The parent/guardian/caregiver must sign if the juvenile agrees.
  - 3. If the juvenile waives the Aftercare Revocation Hearing and admits to the violation, the JCA will forward a copy of the Affidavit of Probable Cause, and the *Waiver*, which is completed through the IWP process in COMS to the JCA supervisor (see attachment #8).
- F. If the juvenile does not waive the Aftercare Revocation Hearing:
  - 1. The JCA and the JCA supervisor will work with the executive director of the Board of Pardons and Paroles to schedule the aftercare revocation hearing within forty-five (45) days of the Probable Cause Hearing. This may involve arranging for court appointed counsel.
  - 2. The JCA will complete the *Notice of Aftercare Revocation Hearing* through the IWP process in COMS (see attachment #9). The completed notice must be given to the juvenile at least five (5) working days prior to the hearing.
  - 3. The JCA will arrange for the juvenile's placement pending revocation. The JCA will work with the JCA supervisor (JCAS) and director of Juvenile Services to determine placement prior to the hearing.

### 7. Risks and Needs Evaluation Upon Age Nineteen (19):
