II Policy:

The Administrative Remedy process provides a standard method by which all inmates, without regard to race, color, ethnicity, disability or other protected status shall have access to a process to resolve issues and/or incidents. The Department of Corrections (DOC) encourages informal resolutions of inmate appeals and grievances. All inmates have the opportunity to resolve issues in an informal setting. When attempts at informal resolution are not successful, a process affording inmates formal review of issues and grievances shall be available.

III Definitions:

Administrative Remedy Coordinator:

A designated DOC staff member assigned by the Warden to act as a central receiving agent, investigation coordinator and record keeper for all inmate requests for Administrative Remedy.

Disability:

Staff person assigned by the Warden and/or DOC Administration to facilitate ADA compliance at the facility. Each DOC facility housing inmates will have an ADA Coordinator.

Grievance:

The term "grievance" does not include a complaint relating to a parole decision.

Informal Resolution:

Verbal or written contact between an inmate and staff to whom the grievance relates in which the problem is settled by agreement of both parties in an informal setting.

Staff Member:

For the purposes of this policy, a staff member is any person employed by the DOC, full or part time, including an individual under contract assigned to the DOC, an employee of another State agency assigned to the DOC, authorized volunteers and student interns.

IV Procedures:

- A. Every inmate in the custody of the DOC or housed in any DOC facility or contract facility, regardless of his/her classification, disciplinary status or history, location or status, shall have access to the administrative remedy procedure (ACA 4-4284).
- B. New admission inmates will receive information about the administrative remedy process during the admission and orientation (A&O) process. A summary of the administrative remedy process is located in the [Inmate Living Guide](#), which all inmates may access in print or electronic form.
- C. Inmates who do not substantially comply with the requirements and procedures of the administrative remedy process will have their request for remedy and all accompanying forms returned to them with a brief explanation why their request was not processed (See [Attachment 5 Notice of Rejection for Request of Administrative Remedy](#)).
- D. Each inmate is responsible for obtaining copies of original document(s) submitted with his/her request for remedy. No documents, other than the Administrative Remedy Response form, will be returned to the inmate. Inmates may be charged a duplication fee for requested copies of documents submitted.
- E. Staff who is the subject of an inmate's request for administrative remedy will not be assigned to investigate or formally respond to that particular grievance or issue. Staff assigned to investigate the incident shall be impartial. Staff may be interviewed by investigating staff and provided an opportunity to relay their version of the incident, including pertinent facts and information.
- F. Fixed time limits set forth within this policy will be followed, unless staff determines reasonable cause exists supporting an extension of the deadline.
- G. Inmates may not request administrative remedy on behalf of another inmate; however, staff will assist an inmate who requires accommodation to engage the administrative remedy process. Requests for remedy by an inmate on behalf of another inmate that involve the following will be accepted and assigned to staff for expeditious processing:

 2. All claims received from an inmate alleging an inmate may be at substantial risk of imminent sexual abuse will be forwarded to the shift commander for immediate response. Such claims will be addressed through the sexual abuse and/or sexual harassment investigative process and not the administrative remedy process (See DOC policy 1.3.E.6 [PREA](#)

3. All claims or requests for administrative remedy received from an inmate indicating an inmate may be at risk of serious harm or injury, including but not limited to self-harm, suicide, assault or excessive force will be forwarded to the shift commander for immediate response and action. Staff will respond to the request promptly.

 2. If staff determines the grievance/issue requires immediate response and/or action, the staff member will promptly address the grievance or issue. If the staff member does not have the authority or ability to respond to the emergency request, he/she will forward the request without substantive review to the level which corrective action can be taken.
