III Definitions:

Disposition Meeting

An informal meeting between the offender and Executive Director, or designee, to assist in determining the options the offender may choose in the matter of his/her parole and/or suspended sentence revocation. The Disposition meeting also assists in determining and agreeing upon a resolution and sanction in the matter, or the scheduling of a revocation hearing before the Parole Board.

Resolution and Recommended Sanction(s)

A potential resolution to the offender's parole or suspended sentence violation prepared by Board Office staff. The preparation includes an overview of the case history, including current and past violations, non-compliance, and other relevant information used in determining a sanction. The Executive Director or designee will present the resolution and sanction to the offender at the Disposition meeting. Due to the discretionary nature of any sanctioning associated with a revocation, the Board may approve or disapprove any agreed upon resolution (See Attachment #1 – Violation Sanctioning Guidelines).
