- A. Each facility and division shall designate persons who will accept service of summonses and complaints. The persons designated may only accept service for current DOC employees. If non-DOC employees need to be served (DOH, DSS, food service contractor, etc.), the persons designated to accept service for DOC employees can assist by contacting an on-site representative for those entities but may not accept service on their behalf.
- B. When a summons and complaint is served, the person accepting service shall immediately scan and email all documents received as well as a list of those defendants for whom service was accepted to the following individuals:
 1. Secretary of DOC.
 2. DOC Policy and Compliance Manager.
 3. DOC Senior Staff Attorney.
 4. Attorney General's Office.
 5. Public Entity Pool for Liability/State Risk Management Office.

- C. The person who accepts service shall make an entry on the Lawsuit Tracking Log ([Attachment 1](#)) indicating the date and time of service, who served the summons and complaint, a list of the defendants for whom service was accepted (not a list of all named defendants), and the name of the person who accepted service.
- D. The person accepting service may accept service from the U.S. Marshals, a sheriff's office, or process server.
- E. The DOC attorneys will maintain contact with the attorney defending the matter to remain informed of all significant actions and developments.
- F. The Senior Staff Attorney and Executive Director of the Public Entity Pool for Liability (Risk Management) will be notified when any institution or agency within the DOC receives a notice of intent to file a lawsuit per SDCL § 3-21 (See DOC policy 1.1.A.3 [Staff Reporting Information to DOC Administration](#)).
- G. If a *Writ of Habeas Corpus* (or any follow-up paperwork related to the *Writ*) is received by a DOC staff member, the staff member will scan and e-mail the documents to the DOC attorneys. The DOC attorneys will then forward the information to the Attorney General's office.
- H. Any other legal paperwork (notice of small claims action, notice of appeal, etc.) received by a staff member shall be immediately scanned and emailed to the DOC attorneys.
- I. Staff members are to comply with all matters regarding the defense of a lawsuit as directed by the attorney defending the lawsuit. This includes providing information to assist in the defense, providing information required pursuant to discovery requests, and testifying at depositions or trial.

2. Public Comment on Lawsuits:

No DOC staff member may publicly comment, discuss, editorialize, or provide verbal or written statements, including statements of opinion pertaining to ongoing or current lawsuits involving the state or the DOC without prior authorization from the Secretary of Corrections or designee (See DOC policy 1.1.A.4 [Relationship with News Media, Public and Other Agencies](#)).
