

July 2016

MADE WITH PRIDE with you in mind.

About Us

The nuts and bolts of what the Machine Shop does- if it's made of metal we can most likely build or repair it. Our skilled fabricators and welders will work to ensure that all projects meet and exceed your specifications and satisfaction. If you have a project in mind, feel free to give John a call.

As with all of the shops of Pheasantland Industries, your satisfaction is guaranteed.

UPCOMING EVENTS
ASBSD & SASD Conference
Sioux Falls Convention Center
August 4th

basketball hoop support frame

humane live traps (12" & 16")

portable bunker gear locker

wildlife panels

lockers

tool bench

Meet John Story

"I have been working with metal- welding and machining- for about 45 years, of which over 9 years has been as the Machine Shop supervisor. I started working for Metal Craft at the Jameson Annex when I learned about the opening at Pheasantland and applied. We build and repair pieces within our capability and I am proud of the results."
