ABOUT THE PRINT SHOP

With projects large and small, you receive the same commitment to great quality, terrific customer service, and outstanding project management. And if you are looking to create new branding or update the look of your business cards, take advantage of our in-house graphic design service and our creative team will set you apart with a distinctive look.

Feel free to contact Derek to look at some of our previous jobs as an example of the quality and scope of the work we are proud to put out. Moreover, as with all the shops of Pheasantland Industries, your satisfaction is guaranteed.

custom projects

- Door Hangers
- Brochures
- Mailers
- Pocket-sized Booklets

business cards + stationery

Meet Derek Magnus

Derek took the helm of the Print Shop in 2012 following five years working on the security side of corrections, and brings with him past experience in sales and customer service.

“It is very gratifying when a client tells me a project we did exceeded their expectations.”
