Date Signed: 10/18/2017
Distribution: Public
Replaces Policy: N/A
Supersedes Policy Dated: 09/22/2016
Affected Units: Adult Units
Effective Date: 10/19/2017
Scheduled Revision Date: August 2018
Revision Number: 14
Office of Primary Responsibility: DOC Administration

II Policy:

The Department of Corrections (DOC) will assess all offenders to identify those with sexual behavior issues.

III Definitions:

Offender:

For the purposes of this policy, an offender is any offender in the custody of the Department of Corrections adult institutional system or a parolee under parole or suspended sentence supervision of the Department of Corrections Parole Service.

Sexual Behavior Issue:

A history of sexually abusive or violent behavior, including sexually abusive or violent behavior while incarcerated or the factual basis of a crime for which the offender was charged or convicted/adjudicated that involves sexual violence or sexual abuse. An acquittal on a sex offense by itself cannot be the basis for determining a sexual behavior issue does not exist. A "sex offense" is any crime within SDCL § 22-24B-1 or any crime defined by law as a sex offense within the jurisdiction from which the crime was committed.

Sexual Behavior Issue Assessment:

A clinical interview with the inmate for Sexual Behavioral Issue Review and review of information from the following: pre-sentence investigation, psychosexual reports, Minnesota Sex Offender Screening Tool – Revised (MnSOST-R), Static 99, ABLE screening, results of sexual behavior, monitor or specific issue polygraph examinations, STOP file information and clinical interviews.

Sexual Behavior Issue Review:

A review hearing consisting of three Sexual Behavior Issue Review staff to determine if an offender has a current or past sexual behavior issue. Inmates have a right to attend the review in person and can call witnesses and present documentary evidence on their behalf. This determination can impact the classification status, parole release and program recommendations of an inmate.

Sexual Behavior Issue Review Staff:

At least one case manager or Unit Manager (may be from the Admission and Orientation (A&O) unit) and at least one Sex Offender Management Program (SOMP) staff member.

Sex Offender:

For the purposes of this policy, a sex offender is any adult offender convicted or adjudicated of a felony sex crime, as listed in SDCL § 22-24B-1, regardless of the offense date or date of conviction; an offender serving a current prison term as a condition of a suspended imposition of sentence for the commission of a sex crime; and offenders who have been identified as having a Sexual Behavior Issue (SBI) by SOMP staff (designated by sexual behavior code of 2) or convicted of any offense requiring sex offender registration.

Sexual Violence and/or Sexual Abuse:

A range of behaviors from battery, mutilation, torture, assault to intentional unwanted sexual conduct, this can be verbal, written, visual or physical. A person under the age of sixteen (16) cannot consent to sexual behavior with an adult, therefore by definition, any sexual conduct with a person under the age of sixteen (16) would be unwanted sexual conduct, which constitutes sexual abuse.

Special Treatment of Perpetrators (STOP) Program:

The sex offender treatment program operated through the DOC. The STOP Program consists of therapy, educational treatment and relapse prevention. The STOP Program is the adult sex offender management program offered at institutions. The STOP Program is usually 1 year in length and designed to prepare offenders to pass their sexual history polygraph.

Working Day:

A standard workweek day, Monday through Friday, except for recognized state holidays, recognized national holidays and any other special holidays declared by the Governor of South Dakota or the President of the United States.

IV Procedures:**1. Identification of Offenders that require a Sexual Behavior Issue Review:**

- A. Inmates received by the DOC will have their records reviewed while housed in Admission and Orientation (A&O) by admission unit staff for any information supporting the inmate be referred for a Sexual Behavior Issue (SBI) review (See *Sources of Records to Be Reviewed*, [Attachment 1](#)).
- B. Information, evidence and/or facts supporting an inmate's referral for a SBI review may be discovered any time the inmate is in DOC custody or released to parole supervision. Information that may be reviewed includes:
 1. The inmate's LSI-R assessment, pre-sentence investigation (PSI) psychosexual assessment, MnSoST-R, STATIC 99, ABEL screen, clinical interview, polygraph reports, P-SCAN, mental health assessment, STOP status and NCIC report.
- C. Unit staff will document information supporting the referral in the inmate's file and/or SOMP file (for inmates determined to be a sex offender). Information, evidence and/or facts collected by staff supporting the referral will be provided to SOMP staff, who will determine:
 1. The information, evidence and/or facts is sufficient to refer the inmate for a SBI review (See *Sexual Behavior Issue Referral* ([Attachment 2](#))); or
 - a. The inmate will be scheduled for a Sexual Behavior Issue Assessment by the SOMP clinical consultant.

2. Require additional investigation and fact gathering to determine whether a SBI review is warranted; or
3. Make a determination/finding that insufficient information exists or no cause can be found to support the inmate be recommended for a SBI review.
 - a. If there is insufficient information, evidence or facts and no cause to warrant an SBI review, the process will be terminated.
- D. Only one referral and SBI assessment will be completed based upon the same set of information, evidence and facts.
- E. If new or additional information, evidence or facts is discovered that supports an inmate has a sexual behavior issue, SOMP staff may refer the inmate for an SBI assessment.

2. Sexual Behavioral Issue Assessment:

- A. Inmates identified by SOMP staff as a "Sex offender" or having a history of sexually abusive or violent behavior (including sexually abusive or violent behavior while incarcerated) will be scheduled for a SBI assessment. The purpose of the SBI assessment is to:
 1. Establish a clinical basis for determining the inmate has a sexual behavioral issue, thereby designating the inmate a "sex offender". All identified sex offenders will be assigned a sexual behavior code of 2Y or a 2N; or
 2. Establish a clinical basis for determining the inmate does not have a sexual behavioral issue. The inmate will NOT be assigned a sexual behavior code of 2.
 3. Inmates completing the SBI assessment, who are found not to have a sexual behavior issue by SOMP staff, will be assigned a sexual behavior code of 1n.
 4. If the inmate refuses the SBI assessment, or fails to adequately participate in the assessment, SOMP staff will notify the inmate's unit staff that the inmate will be assigned a sexual behavior code of 2 Y.
- B. Inmates housed in the Admission & Orientation (A&O) unit of a DOC institution who are referred for the SBI review should have the review completed before transfer to general population housing.
 1. If the SBI Review is not completed prior to an inmate's transfer from A&O, the inmate will be housed in the same institution until the review is complete.
 2. If an inmate refuses the SBI review, he/she will be assigned a sexual behavior code of 2Y and assigned appropriate housing, based in part on assignment of the 2Y code and other contributing factors.
 3. After the inmate has completed the review, the inmate may be transferred to an appropriate unit/housing cell in accordance with all procedures relevant for determining housing placement.

3. Notice of Sexual Behavior Issue Review:

- A. If, after review of the SBI assessment and/or other information, evidence and/or facts SOMP staff determine the inmate has a sexual behavioral issue, the inmate will be provided a *Notice of Right to Sexual Behavior Review* (See [Attachment 3](#)).
 1. SOMP staff will ensure the inmate signs the Notice. If the inmate refuses to sign, the inmate's refusal will be documented by SOMP staff.
- B. After being served the *Notice of Sexual Behavior Issue and Right to Review*, the inmate has the option of completing a *Request for Sexual Behavior Issue Review* (See [Attachment 4](#)).
- C. If the inmate fails to request a review within five (5) working days of being served, the inmate shall waive his/her right to a review and will be assigned a sexual behavior code of 2 Y or 2N.

4. Sexual Behavior Issue Review:

- A. If the inmate chooses to request a SBI Review, the review will be scheduled no sooner than forty-eight hours and no later than thirty (30) days from when the Notice of time and Place for SBI Review was served. The inmate may:
 1. Call witnesses. All witnesses will be identified using the Request for Sexual Behavior Issue Review form (See [Attachment 4](#)).
 - a. It is the inmate's responsibility to arrange for the presence of his/her own witnesses at the SBI Review.
 - b. SBI Review staff may limit the number of witnesses if the testimony would be repetitive or if the witness' presence would be contrary to the good order and/or disciplined operation of the institution.
 - c. The DOC is not financially liable for an inmate's cost in arranging for the presence of witnesses.
 2. Request reasonable time to obtain documents not in his/her possession.
 3. Waive his/her right to review by checking the appropriate line on the *Request for Sexual Behavior Issue Review* form and return the completed form to his/her case manager.
 - a. If the inmate waives his/her right to a review, the inmate will be assigned a sexual behavior code of 2Y or 2N.
- B. The following procedural guidelines will be followed for SBI Reviews:
 1. The inmate will be notified in writing of the time and place set for the review (See [Attachment 5](#)).
 2. The inmate is responsible for ensuring all documents and witnesses to be presented on their behalf have been requested prior to the review. The DOC is not financially responsible for the collection of documentation to be presented by the inmate.
 3. An effort will be made to give the inmate time to arrange for the presence of witnesses and to obtain documents. However, staff has the authority to hold a review if they deem a delay granted to the inmate has become excessive.

4. Under no circumstances will a victim of the inmate's crime appear in person; however, a victim may give testimony to the SBI Review Staff by telephone or in a recorded or written statement directed to review staff.
 - a. Review staff will not permit an inmate to directly question victims. Any questions will be directed through SBI review staff.
 5. The proceedings of the SBI Review will be recorded and maintained for a minimum of three (3) years after the inmate completes his/her sentence.
 6. SOMP staff is responsible for compiling and presenting the information, evidence and facts' supporting the inmate has a sexual behavior issue. After SOMP staff has presented documentary evidence, the inmate will have an opportunity to present documentary evidence.
 - a. The inmate will be informed of all relevant documents or physical evidence not considered confidential.
 - b. Evidence may be presented through written documents, records, oral testimony (including testimony of witnesses) and/or through introduction of physical evidence.
 7. The inmate may ask questions of witnesses, with the exception of victims.
 8. Relevant, non-repetitious evidence will be allowed, including hearsay evidence.
 9. An inmate must present his own case, unless he/she retains private counsel at his/her own expense.
- C. Staff may consider reliable confidential information. This information will be available to the inmate; however, the source of the confidential information will not be disclosed to the inmate if staff determines such disclosure may subject the informant/witness to risk of harm.
- D. The SBI Review may be held remotely, telephonic or video, including receipt of witness testimony; however, the inmate will be permitted to attend the review and be heard in-person.

5. Decision of the Sexual Behavior Issue Review Staff:

- A. SBI Review staff will document the findings and basis for the decision on the *Disposition of Sexual Behavior Issue Review* form (See [Attachment 6](#)).
- B. The SBI Review staff must determine by preponderance of the evidence that:
 1. A clinical basis exists supporting the inmate has sexual behavior issues, or
 2. The inmate has not offered credible explanation or evidence that would avoid a finding/determination the inmate has sexual behavior issues/is a sex offender, or
 3. There is no clinical basis to support the inmate has sexual behavior issues.
- C. An affirmative finding by SBI Review staff that the inmate has sexual behavior issues will result in the inmate being designated a "sex offender" and may subject the inmate to specified/required programming/treatment directives and restrictions or limitations of privileges.
 1. SOMP staff will determine whether the inmate will be recommended for Special Treatment of Perpetrators (STOP). If the inmate is recommended for STOP, he/she will be assigned a

sexual behavior code of 2y. If STOP is not recommended, the inmate will be assigned a sexual behavior code of 2N.

2. An inmate's Individual Program Directive (IPD), parole plan, housing status/placement, visitation, (contract or no contract) work/job assignments, programming requirements and allowable personal property may all be impacted by a determination that the inmate is a sex offender or is assigned a sexual behavior code.
- D. The SBI Review staff will ensure:
1. Each SBI Review finding is documented in the Comprehensive Offender Management System (COMS).
 2. The original, signed *Disposition of Sexual Behavior Issue Review* form (See [Attachment 6](#)), any record/recording of the Review Hearing proceedings and copies of documents presented during the hearing, is forwarded to Central Records for retention in the inmate's legal file.
 3. The inmate is provided with a copy of the *Disposition of Sexual Behavior Issue Administrative Review* form within five (5) working days of the review.
 4. A copy of the *Disposition of Sexual Behavior Issue Review* form is sent to the inmate's case manager or parole agent if a parolee) to be placed in the inmate's file with instructions regarding whether element #4 will be added to the inmate's IPD (only if it has been determined the inmate has a sexual behavior issue).
 5. A copy of the *Disposition of Disposition of Sexual Behavior Issue Administrative Review* form shall be maintained by SOMP staff in the inmate's SOMP file.

6. Administrative Remedy:

- A. If an inmate does not agree with the finding/determination of the SBI Review staff, he/she may appeal the decision in accordance with DOC policy 1.3.E.2 [Administrative Remedy for Inmates](#).
- B. If a parolee does not agree with the finding/determination of the SBI Review staff, he/she may appeal the decision to the Parole Board.
