1.5.H.4 Juvenile Aftercare and Discharge

II Policy:

The Department of Corrections may establish an aftercare supervision program to supervise juveniles in the community if they have been conditionally released from a department facility or program, the Human Services Center, detention center, shelter, group home, group care center or residential treatment center (See SDCL § 26-11A-12).

III Definitions:

Aftercare Contract:  
An individualized legal contract that establishes the conditions of supervised release. The contract is established through the Comprehensive Offender Management System (COMS) legal cases module, conditions function.

Case Plan:  
An individualized service plan that targets a juvenile’s areas of risk and need, and prepares him/her for progressively increased responsibility and independence in the community.

Youth Level of Service/Case Management Inventory 2.0 (YLS/CMI 2.0):  
The YLS/CMI 2.0 is a standardized instrument used to assess criminogenic risk factors, need, and responsivity factors in youth and in the formulation of a treatment plan. The YLS/CMI was revised to the 2.0 version by updating the normative sample with a larger offender group, expanding the age range to include 12 to 18 years old and adding more non-criminogenic needs and responsivity considerations to Part III. This version also includes new recommended cutoff scores based on gender and setting.

Comprehensive Offender Management System (COMS):  
A DOC database for staff use in the management, storage and collection of informational and statistical data pertaining to the Juvenile Division and juvenile corrections agent caseloads.

Effective Practices in Community Supervision (EPICS):  
The EPICS model assists with the development and implementation of case management plans to target the criminogenic needs of higher risk offenders. JCAs will use this structured approach in their interactions with Moderate, High and Very High risk offenders. The four components of EPICS are: Check In, Review, Intervention and Homework/Rehearsal.
Juvenile Corrections Agent (JCA):
For the purposes of this policy, a JCA is an employee or contractual employee of the DOC responsible for the supervision of juveniles pursuant to SDCL § 26-11A-12.

Working Day:
A standard workweek day, Monday through Friday, except for recognized state holidays, recognized national holidays and any other special holidays declared by the Governor of South Dakota or the President of the United States.

IV Procedures:

1. Development of the Juvenile Aftercare Contract:

   A. The goal of the aftercare supervision program is to equip the juvenile with the ability to conduct himself/herself in a lawful manner and therefore prepare him/her for discharge from the DOC.

   B. The JCA will develop an individualized Juvenile Aftercare Contract through the COMS legals module. A printed version of the aftercare contract will be available through the IWP process in COMS (See Attachment 1) to be reviewed with the juvenile, the juvenile’s family/caregiver and treatment facility (when applicable), at least thirty (30) days prior to the juvenile’s scheduled release from placement.

      1. The Juvenile Aftercare Contract (See Attachment 1) shall be signed by the JCA, the juvenile, the parent/caregiver and facility representative and maintained in the juvenile’s case file consistent with JCC OM 6.1.E.2 Organization of Files.

      2. The juvenile cannot move to aftercare unless all of the required signatures are obtained on the Juvenile Aftercare Contract (See SDCL § 26-11A-22).

2. Case Planning:

   A. Any juvenile whose YLS/CMI 2.0 assessment results in a score of Moderate, High or Very High, will have a case plan developed (See JCC OM 6.1.E.3 Program Planning).

3. Screening of Potential/Future Non-Custodial Caregivers:

   A. If a Juvenile Aftercare Contract includes having the juvenile reside with a non-custodial caregiver, the JCA must complete a home evaluation (See Attachment 2) and ensure the following background checks are completed:

      1. The JCA will request and obtain the results of a Central Registry screen from the Department of Social Services (See SDCL § 26-8A-13.1).

         a. The potential non-custodial caregivers must consent to the screening by completing the Permission to Screen for Reports of Abuse or Neglect form (See SDCL § 26-8A-13.2 and Attachment 3).

            1) A juvenile cannot reside in the home of any non-custodial caregiver who refuses to consent to the screen.

            2) A juvenile cannot reside in the home of any non-custodial caregiver who has a conviction for child abuse/neglect or who has a substantiated finding of abuse/neglect against them unless the placement is approved by the Director of Juvenile Corrections and the Secretary of Corrections.
2. The JCA will conduct a check of all potential non-custodial caregivers through the National Sex Offender Registry to determine if they are listed as a convicted sex offender (See http://www.nsopr.gov/). A juvenile cannot reside in the home of a known sex offender.

3. These requirements apply to the non-custodial caregiver and everyone else typically residing in the home that is sixteen (16) years old or older.

B. An approved caregiver with whom a juvenile is residing must notify the DOC if someone moves into the home that has not already been checked and cleared against the Central Registry and the National Sex Offender Registry.

1. The DOC prefers that the notification take place prior to a new person moving into the home. However, if the approved caregiver cannot give prior notification, the JCA needs to be contacted no later than twenty-four (24) hours of the new person moving into the home.

2. The JCA will ensure the required screenings listed in part A of this section are requested within three (3) calendar days and completed thereafter as soon as possible.

C. The DOC does not require a Central Registry screen or a National Sex Offender Registry check if the juvenile is residing with one (1) or both of his/her biological parents.

4. Release of a Juvenile to Aftercare:

A. A juvenile’s release from inpatient chemical dependency treatment, group or residential private placement to aftercare involves the following steps:

1. The Secretary of Corrections is required to give fifteen (15) calendar days notice to the prosecuting States Attorney and the committing court prior to the juvenile being released back to their jurisdiction (See SDCL § 26-11A-22).

2. The Secretary of Corrections has designated the juvenile’s supervising JCA to send the electronic Notice of Conditional Release to the States Attorney and committing court within the specified time frame. This action is generated as a result of the JCA recording a proposed conditional release date in the COMS system. Any changes in release dates must be updated in COMS to generate a subsequent electronic notice.

B. A juvenile’s release from the STAR Academy to aftercare involves the following steps:

1. The Secretary of Corrections is required to give fifteen (15) calendar days notice to the prosecuting States Attorney and the committing court prior to the juvenile being released back to their jurisdiction (See SDCL § 26-11A-22).

2. The Secretary of Corrections has designated the juvenile’s STAR Academy program manager to send the Notice of Conditional Release to the States Attorney and committing court within the specified time frame. This action is generated as a result of STAR Academy personnel recording a proposed conditional release date in the COMS system. Any changes in release dates must be updated in COMS to generate a subsequent electronic notice.

C. The JCA will finalize the aftercare process prior to release and implement the aftercare contract upon the juvenile’s release.
D. The JCA will supervise the juvenile in accordance with Juvenile Community Corrections (JCC) OM 6.4.G.3 *Aftercare-Supervision and Sanctioning Guidelines*.

5. Monitoring a Juvenile on Aftercare:

A. Monitoring of a juvenile by the JCA ensures that service referrals are effective or are modified when necessary.

1. The JCA is required to make contacts with a juvenile on aftercare as explained in JCC OM 6.4.G.3 *Aftercare - Supervision & Sanctioning Guidelines*.

2. Contacts between a JCA and a juvenile will be documented on COMS.

3. JCAs will use the EPICS model in their interactions with Moderate, High and Very High risk offenders (See JCC OM 6.4.G.3 *Aftercare - Supervision Sanctioning Guidelines*).

B. The JCA will document incidents of the juvenile’s failure to abide by the conditions of the aftercare contract in the COMS Aftercare Violations module. An Aftercare Incident Report form (See Attachment 4) will be available through the IWP process in COMS.

1. The aftercare incident report will include a description of the incident as well as the action taken to correct the juvenile’s future behavior.

2. The action taken may become a supplemental condition of the aftercare contract.

3. The JCA will obtain the juvenile’s signature on the aftercare incident report

4. The JCA will keep a copy of the aftercare incident report in the juvenile’s file.

C. Every violation of the aftercare contract will receive a response.

1. Responses will be proportionate to the violation.

2. Refer to JCC OM 6.4.G.3 *Aftercare - Supervision & Sanctioning Guidelines* for graduated sanction guideline and incentives matrix.

6. Revocation of Aftercare:

A. A JCA can place a juvenile in custody and begin revocation proceedings only if it is alleged the juvenile has violated a condition of the aftercare contract by committing an eligible offense, as delineated in SDCL§ 26-11A-15.

B. Revocation of the aftercare contract may result in placing the juvenile in a group home, private facility, correctional facility or other approved program/plan.

C. If the juvenile violates a condition of his/her aftercare and the violation is one in which revocation is authorized by SDCL § 26-11A-15, the JCA will:

1. Notify the JCA supervisor so that planning for the Probable Cause Hearing may begin.

2. Arrange for temporary detention/shelter location.
3. Complete the Authorization for Temporary Detention or Shelter through the IWP process in COMS (See Attachment 5).
   a. The JCA will consult with local law enforcement to apprehend the juvenile.
   b. Copies of the Authorization for Temporary Detention or Shelter should be provided to local law enforcement and the temporary detention/shelter facility.

4. Prepare an Affidavit of Probable Cause, through the IWP process in COMS otherwise known as a Notice of Probable Cause Hearing (See Attachment 6).

D. A law enforcement officer, JCA or other authorized personnel will take the juvenile into custody and transport him/her to the detention or shelter facility. The JCA must:

   1. Verbally notify the juvenile’s parent/guardian of the temporary detention/shelter.
   2. Schedule the Probable Cause Hearing within twenty-four (24) hours (excluding weekends & holidays).
   3. Serve the Affidavit of Probable Cause (Notice of Probable Cause Hearing) on the juvenile.
   4. Notify the parent/guardian orally or by copy of the form, if possible, of the upcoming hearing.

E. The JCA supervisor or designee will conduct the Probable Cause Hearing within twenty-four (24) hours of the juvenile’s placement in temporary detention/shelter.

   1. This hearing may be done telephonically/electronically.
   2. The JCA and JCA supervisor will determine the offender’s placement while awaiting the revocation hearing. The JCA must:
      a. Complete the Aftercare Violation Report through the IWP process in COMS (See Attachment 7).
      b. Allow the juvenile the opportunity to waive the Aftercare Revocation Hearing and admit to the violation. The parent/guardian must sign if the juvenile agrees.
   3. If the juvenile waives the Aftercare Revocation Hearing and admits to the violation, the JCA will forward a copy of the Affidavit of Probable Cause, and the Waiver, which is completed through the IWP process in COMS to the JCA supervisor (See Attachment 8).

F. If the juvenile does not waive the Aftercare Revocation Hearing:

   1. The JCA and the JCA supervisor will work with the Executive Director of the Board of Pardons and Paroles to schedule the Aftercare Revocation Hearing within forty-five (45) days of the Probable Cause Hearing. This may involve arranging for court appointed counsel.
   2. The JCA will complete the Notice of Aftercare Revocation Hearing through the IWP process in COMS (See Attachment 9). The completed Notice must be given to the juvenile at least five (5) working days prior to the hearing.
   3. The JCA will arrange for the juvenile’s placement pending revocation. The JCA will work with the JCA supervisor (JCAS) and Director of Juvenile Community Corrections to determine DOC placement prior to the hearing.
G. The Chairman of the Board of Pardons and Paroles will appoint a two person panel and will hold an Aftercare Revocation Hearing within forty-five (45) days of the Probable Cause Hearing. This hearing may be done telephonically or electronically.

H. If aftercare is revoked through self-admission or action by the Board of Pardons and Paroles, the JCA will:
   1. Complete an YLS/CMI 2.0 reassessment to determine risk level and juvenile needs and transfer him/her to appropriate placement.
   2. Update all Intake Process requirements (See JCC OM 6.4.A.1 Intake Process).

I. If the Board does not revoke the juvenile’s aftercare, the JCA will ensure the juvenile is returned to appropriate aftercare supervision.

A. A risk and needs evaluation will be conducted for any juvenile remaining under the jurisdiction of the DOC upon his/her nineteenth (19th) birthday (See SDCL § 26-11A-20.1). The evaluation will include:
   1. A written summary of the juvenile’s progress made while under the jurisdiction of the DOC.
   2. The ongoing needs of the juvenile.
   3. What risks the juvenile would present to the community or self if discharged.
   4. Recommendations regarding further treatment and transition services that may prepare the juvenile for discharge from the DOC.

B. This evaluation process will be initiated by the JCA consistent with JCC OM 6.4.B.2 Classification and Assessment Process and as applicable, JCC OM 6.4.A.2 Sex Offender Requirements.

C. The written summary and any supporting documentation will be forwarded to the Director of Juvenile Community Corrections for review.
   1. Upon receipt, the Director of Juvenile Community Corrections will schedule a review staffing with the JCA and JCA supervisor.
   2. The staffing outcome will be documented in the Contact Logs module in COMS., using the "RAN"- Risks and Needs Evaluation Staffing case note code.
   3. The documentation will include any additional referrals made, or other actions taken to ensure the treatment needs of the juvenile and the safety interest of the public are best served.

8. Discharge of a Juvenile from the DOC:

A. Consistent with SDCL § 26-11A-20, the JCA may recommend the following discharge types:
   1. Category 1 - As a reward for good conduct and upon satisfactory evidence of reformation.
   2. Category 2 - As a result of a conviction for a new crime as an adult, if the juvenile is placed on adult probation or sentenced to the county jail or state penitentiary.
3. **Category 3** - If the juvenile, upon reaching the age of majority, lives outside the jurisdiction of the State of South Dakota and the interstate compact on juveniles is not available due to the juvenile's age or circumstances.

4. **Category 4** - If the juvenile is on aftercare and has a suitable placement, and a discharge is determined to be in the best interests of the juvenile.

5. **Category 5** - The juvenile has reached the age of 21 years.

B. The JCA may submit a request for discharge by completing the “Discharge Summary” via the Contact Logs module in COMS (See Attachment 10). Select Case Note Type "Discharge" and all Contact Subtypes with "Discharge" prefix to create narrative for the summary. The JCA can generate the document through the IWP process in COMS.

1. The summary must include the following information:
   a. Background information.
   b. Aftercare Adjustment.
   c. Reason for Discharge.
   d. Discharge Recommendations.
   e. Documentation of DNA collection (See DOC policy 1.3.C.10 *Offender DNA Collection*).
   f. Discharge Type

C. The JCA will approve the discharge summary through the Contact Logs module in COMS. Select Case Note Type "Discharge" and Contact Subtype "Discharge JCA Pending" to create note indicating approval.

D. Using the “My Work” function in COMS. The JCA shall “Create a Memo” and select “Discharge JCA Pending” and Select “Okay”. This will serve to send a memo to the JCA Supervisor to review.

E. The JCA Supervisor shall use the “My Work” function in COMS as described above to seek any approvals through the Director of Juvenile Community Corrections.

F. All discharge requests are due by the 15th of each month.

G. Upon approval, the Director of Juvenile Community Corrections will forward recommended discharges to the Director of the Juvenile Division for consideration.

H. Upon approval by the Director of the Juvenile Division, the Sioux Falls secretary will complete a Discharge Order with the Secretary of Corrections signature included.

I. Upon receipt of the signed discharge order, the case will be closed and filed in accordance with the records retention procedures.

J. The Notice of Discharge (NOD) or final community movement must be entered into COMS by the support staff or JCA.
K. The JCA is required to give fifteen (15) days notice to the States Attorney’s office and committing court prior to the juvenile being discharged. This action is generated as a result of the JCA recording a proposed discharge date in the COMS system. Any changes in discharge date must be updated in COMS to generate a subsequent electronic notice.

9. Payment of Restitution, Fines, or Other Court Ordered Obligations:

A. A payment schedule will be established at the time of release to aftercare for any restitution to victims, fines, or other court ordered financial obligations.

B. The JCA will include this as a requirement in the aftercare contract. However, no offender will remain under the guardianship and supervision of the DOC for the sole purpose of collection of court ordered restitution.

C. Discharge from the DOC constitutes a complete release from all penalties, excluding unpaid fines, fees, or restitution (SDCL 26-11A-20).

D. Any victim seeking assistance from the DOC to collect unpaid restitution related to a discharged case, will be advised of their right to pursue collection of the restitution order in the same manner as a judgment against the defendant in a civil action (See SDCL § 23A-27-25.6 and UBC v. Ochs, 2010 SD 30, ¶ 25).

WAIVER

I, ________, have been furnished a true copy of the Aftercare Violation Report dated ________, ________.

I have been fully advised of my right to an Aftercare Suspension Hearing before a member of the Board of Parole and Parolees to determine whether I did, in fact, violate the terms and conditions of aftercare supervision, or to determine if the purposes and objects of aftercare supervision are not being served.

I have been advised of my right to appear at such a hearing and to speak on my own behalf; to present witnesses or documentary evidence in my behalf; to cross-examine witnesses who have testified or presented documentary evidence against me unless the member of the Board of Parole and Parolees makes a written determination that doing so is not in my best interest; and to be represented by legal counsel.

With a full understanding of these rights, and not acting under any threat, duress, coercion, or promise, and acting of my own free will, thereby waive my rights to an Aftercare Suspension Hearing, admit to the violation and agree to placement in a group home, private facility, correctional facility, or other approved program.
