Parole services staff can arrest and/or detain a parolee as a disciplinary sanction, or for the purpose of investigating a possible violation of the parolee's supervision agreement.

III Definitions:

Parolee:

An offender who has been conditionally released to parole or suspended sentence from a South Dakota Department of Corrections (DOC) facility prior to the expiration of the offender's sentence under the supervision of the DOC (See ARSD § 17:60:01:00(6)). Parolee includes an offender received from another state under interstate compact supervision (See SDCL chapter 24-16).

Supervision Agreement:

A document setting forth the general and special limitations, restrictions, and conditions that are imposed by the Board of Pardons and Paroles, the Executive Director of the Board of Pardons and Paroles (Executive Director), a parole supervisor and a parole agent (See ARSD § 17:60:02:09).

Detainer:

A document issued by Parole Services that authorizes a parolee to be detained in jail or a designated DOC facility for a period of time as a disciplinary sanction or for investigative purposes. The detainer is generated as an IWP document from the Comprehensive Offender Management System (COMS) (See ARSD § 17:61:01:01(4) and 17:61:01:11).

Extended Detainment:

An extension to a detainer, authorized by the Executive Director of Parole Services, which is issued for a variety of reasons, such as investigative purposes, waiting for a placement opening, a disciplinary sanction to a violation of the supervision agreement, etc. (See ARSD § 17:61:01:01 (4) and 17:61:01:11). The detainment extension may be for up to ninety (90) calendar days.

Working Day:

A standard workweek day, Monday through Friday, except for recognized state holidays, recognized national holidays and any other special holidays declared by the Governor of South Dakota or the President of the United States.

Violation Report:

A report issued by the Parole Agent which details the supervision agreement conditions allegedly violated by a parolee.

Comprehensive Offender Management System (COMS):

A DOC data management system which stores pertinent offender information.

IV Procedures:**1. General Guidelines for Detainers/Detention:**

- A. Parole Services may detain a parolee under one (1) or more of the following conditions:
1. There is reasonable belief the parolee violated a condition(s) of his/her supervision agreement.
 2. There is a reasonable belief the parolee will abscond.
 3. To enforce discipline against the parolee (See SDCL § 24-15-19, 24-15A-27 and ARSD 17:61:01:09).
 4. The parolee's behavior is such that the purposes of parole are not being served (See SDCL § 24-15-19 and 24-15A-27).
 5. The parolee's behavior and attitude constitute a threat or danger to self and/or the community, and it is necessary to provide proper protection for the parolee and to the community.
 6. To allow for a review of alternatives to violation by community resources and parole staff.
- B. Parole Services is authorized to issue a detainer and place a parolee in jail or designated DOC facility for a period not to exceed five (5) working days, including the day of detainment.
1. The holding facility will be promptly notified of the detainment and will be furnished with a copy of the detainer, if required by the holding facility
 2. When a parolee in the Community Transition Program (CTP) is detained or held by institutional staff for a major rule infraction or investigative purposes, staff will notify the supervising parole agent no later than the next business day following the detainment. The CTP parolee may be detained, as outlined in Section B above, for up to five (5) working days.
 - a. Supervising parole agents will receive all disciplinary write-ups, incident reports and/or other information generated by facility staff related to the detainment of the parolee.
 3. It is the parole agent's responsibility to designate the parolee's release date and time and to provide this information to the jail or DOC facility.
 - a. Upon justification by the parole agent that additional time is necessary, the regional supervisor may extend the detainment for up to an additional five (5) working days, consecutive to the initial detainment.
 - b. Any additional detainment beyond the days issued by the regional supervisor must be approved by the Executive Director or designee, upon recommendation by the supervisor.

- c. The Executive Director or designee may authorize up to a ninety (90) calendar day detainment extension to review the parolee's current situation and to determine if the parolee will return to community supervision, or if a violation report is warranted.
 - 1) The parole agent requesting the detainment extension will create a detainment extension release plan as part of the parolee detainment extension request. This plan will include the reason for the detainment extension, other possible alternative community containment options, and a specific release plan from the detainment extension.
 - 2) This plan will be submitted to the regional supervisor, who will forward the plan with his/her detainment extension recommendation to the executive director with the parolee detainment extension request form.
 - d. Successive extended detainments may be granted for up to ninety (90) calendar days to determine if the parolee will return to community supervision or if a violation report is warranted.
 4. The supervising parole agent will submit a violation report or authorize the release of the parolee back to community supervision within the time frames outlined above, unless otherwise authorized and approved by the Executive Director or designee.
 - a. If a parole agent determines a parolee should be released back to community supervision, the parole agent will notify the holding facility of the release and provide any information or documentation required to facilitate the release; which may include providing the agency with a "Detainer Release Form", if requested.

C. Reporting detainment/arrests to the Director of Field Services:

 1. The supervising parole agent must report all arrest detainments to the regional supervisor within three (3) hours of the detainment or notification of arrest by law enforcement (See Parole Services OM 7.1.A.4 [Reporting Information to the Director](#)).
 2. At a minimum, the following information will be provided to the regional supervisor:
 - a. The parolee's name and identification number;
 - b. The reason for the detainment or arrest; and
 - c. Any other pertinent facts related to the situation.

D. When a detainment is issued, the supervising agent will add a "Detainment by Agent" alert in COMS to include the dates of the agent's detainment and supervisor's extension. If an extended detainment is approved by the Executive Director, the supervising agent will add an "Extended Detainment" alert in COMS to include the dates of the extended detainment.

E. The regional supervisor will ensure the supervising agent completes a Special Incident Case Note in COMS explaining the detainment, which will serve as notification to the Director of Parole and Director of Field Services.

2. Violation Reports:

- A. When a parolee is believed to have violated the conditions of his/her supervision agreement, and an alternative sanction is not deemed appropriate, the supervising parole agent will save the violation report in COMS and notify the appropriate regional supervisor for approval before sending it to the Executive Director or designee(s) (See DOC policy 1.5.G.6 [Response to Violations](#)).

- B. A warrant of arrest will be issued by the Executive Director or designee(s) only when requested, and only when in compliance with statutes, administrative rules, DOC policy, operational memorandums and following any review processes established by the Executive Director.

3. Warrant of Arrest:

- A. Only the Executive Director or designee has the authority to issue, deny or cancel a warrant of arrest.
1. The Executive Director or designee may set up a review process to make recommendations to assist the decision to authorize a warrant or continue to supervise the offender with added conditions to the supervision agreement.
 2. If the Executive Director or designee(s) denies a warrant, the parolee may complete the detainer (if on detainment) and remain on supervision under a containment plan, as warranted by the situation.
 3. If the Executive Director or designee review the violation report and concurs, a warrant of arrest will be issued (See ARSD [17:60:03:01](#) and [17:60:11:01](#)).
 - a. Designated staff will be notified by e-mail through COMS that the warrant of arrest was issued.
 - b. After a warrant of arrest is issued, Parole Services staff will ensure the parolee is afforded his/her due process rights, as outlined in statute, administrative rules and DOC policy (See DOC policy 1.5.G.9 [Preliminary Hearings](#)).
- C. The warrant of arrest can be issued as a detainer when a parolee is in the custody of another jurisdiction (See ARSD [17:60:03:02](#) and [17:60:11:02](#)).
1. Parole Services is authorized to place a copy of a warrant of arrest as a detainer when a parolee is in the custody of another jurisdiction on pending charges or a conviction.
 2. A copy of the warrant of arrest must be filed with the appropriate holding authority.
