

[Garment Shop]

Hail and Farewell

Pat Cihak, our garment shop supervisor, has retired after almost 17 years of service. She did an excellent job and will be missed! Good luck, Pat!

Welcome aboard our new garment shop supervisor Dustin Pischel! Dustin was a Corrections Officer from 2001 to 2015. During that time, he spent 4 years running the library at Mike Durfee State Prison. He had an opportunity to train with Pat before she left and is ready to process your orders! He will continue to put out a quality product and provide you with great customer service!

[Carpentry Shop]

Meet Marcus

Welcome Aboard Marcus Ditsworth! He has been hired as a second shop supervisor in our Carpentry Shop.

"I have worked manufacturing for many years. My main focus until now has been working with metal in the agriculture, aerospace and automotive industries. I have learned to program CNC (computerized numerical control) lathe and mills and operate them efficiently. Later in my manufacturing career my role was focused more on quality control."

"I have always enjoyed woodworking and I look forward to working for a professional cabinet shop. I have a passion and desire to learn this new field and I look forward helping you with your projects."
