State prison inmate to be released

(Pierre, S.D.)- Corrections Secretary Denny Kaemingk is providing notification to law enforcement and the public about the pending release of a state prison inmate.

Inmate William Duncan, age 64, was sentenced to two 15-year sentences in December 1994 for sexual contact with a child under the age of 16 out of Lawrence County.

Pursuant to Duncan's judgment of conviction, his sentence expires and he must be released on July 27, 2012.

"The inmate has a history of sex offenses against children. He refused to participate in sex offender treatment while incarcerated. Our assessments show he is a high risk to recidivate and is a risk to the community. I believe it to be prudent to alert law enforcement and the public of this pending release," said Secretary Kaemingk.

Duncan has not been forthright on where he plans to reside once released from prison.

The specific notification is in addition to the letters currently sent to law enforcement and notices provided to the Division of Criminal Investigation each month.
