

# Pheasantland Industries

## December 2014 Newsletter

Happy Holidays to all of Pheasantland's wonderful customers and employees! The holiday season is meant to be a time to sit down and relax with those who mean the most (including Santa Claus, with a plate of cookies). Reflect on all that you have in life, and be thankful! The new year is right around the corner, so end 2014 in the best way possible, and begin 2015 even better.

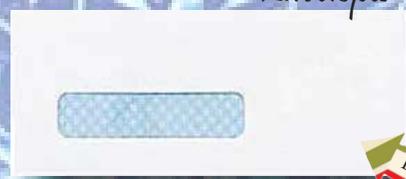

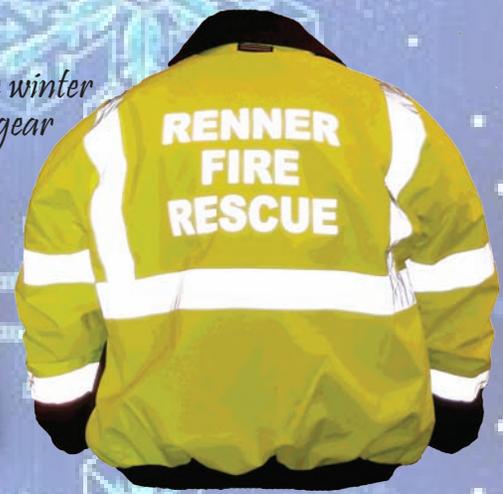

As winter progresses, it only gets colder. We in South Dakota are well aware of that fact, so this December, Pheasantland is showcasing its wide variety of cold weather gear! Don't get stranded in a snow storm without the proper attire and equipment. Also, bring your 2015 school and classroom in with a bang. Our Print and Sign Shops have everything you need to start the new year fresh. Check out all we have to offer at [doc.sd.gov/adult/industry](http://doc.sd.gov/adult/industry), and call us at 605-367-5111.
