First and foremost, Pheasantland Industries would like to wish you a safe and happy Fourth of July!

Here at Pheasantland, the Machine Shop accounts for many metal products. The photos are only a small portion of what the machine shop can make for you. Plus, most of the products are customizable! Contact the Machine Shop foreman, John Story, at 605-367-5015 or email him at John.Story@state.sd.us to place your order. Don't see what you need? Ask if it can be made for you! Visit doc.sd.gov/adult/industry for a complete catalog and list of products. The variety and quality of our PI products will be sure to fulfill your needs.

Pat Gacke runs the License Plates Shop. He would also like to wish everyone a safe and happy Independence Day, and month of July.
