

Upholstery Shop

Chair Catalog

Pheasantland Industries is excited to offer new lines of chairs from the Upholstery Shop. We now represent a new manufacturer, OEI. Although this catalog only features 8 of the most popular chairs, a much wider variety is available. Call Josh Murray at 605-367-5092, or email him at Josh.Murray@state.sd.gov. Keep in mind that all chairs are under a 10 year warranty through OEI. Also, prices may vary by quantity ordered, and discounts for large orders may be available. We hope you are as pleased with the selection as we are. Take the time to pick out the perfect chair for your office, business, or wherever else you need seating. Quality comfort awaits you!

*All chair product descriptions are taken from the OEI catalog.

ALT3 Fabric Task Seating

Features & Benefits

Alt3 seating targets constant lumbar support with attention to finish detail at a mid-market price.

\$399

Recyclable arm cap

Adjustable seat depth for leg support

Smoothly adjusting pneumatic seat height adjustment handle

Tilt-tension adjusts free-float tension to specific user's size and needs

Choose from black nylon or polished aluminum base

Automatic lumbar system moves with you for constant contact and support

Height adjustable arms feature arm pads that pivot and extend

Back-tilt delimiter provides customized back flex

Heavy-duty, dual-wheel, high impact casters allow Alt3 to move with ease

Breathe Seating

\$419
No headrest

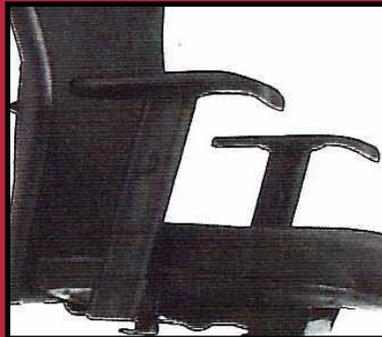

Task Chair

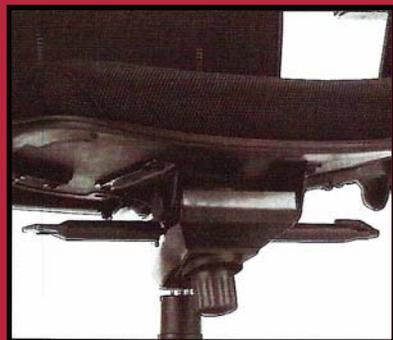

Mesh back breathability provides comfort, support, and style. The adjustable lumbar is built into the chair frame for added durability

The task chair's optional headrest can be positioned and adjusted to offer all users optimum comfort

Breath chairs have independently adjustable arms over a range of 2.5"

The synchronous knee-tilt mechanism, back tension knob, and seat height adjustment all come standard

The chair's heavy-duty, 5-star die-cast aluminum base offers built-in molded slip/scuff protectors and durable dual-wheel carpet casters

Add contemporary style and comfort into your office with Breathe Seating. Sleek style makes this high-back task chair the perfect addition to any organization.

Breathe Seating features a beautifully sculpted polypropylene back structure wrapped with a double layer of nylon mesh fabric. The structure offers the ultimate support and breathability.

A contoured foam seat covered with the same soft and durable 2-ply athletic mesh improves ventilation and reduces fatigue. Users can adjust the seat height and back tension easily for additional comfort. A knee-tilt mechanism allows the seat to be in any of 3 lock positions or remain unlocked, allowing the seat to free float.

Consult

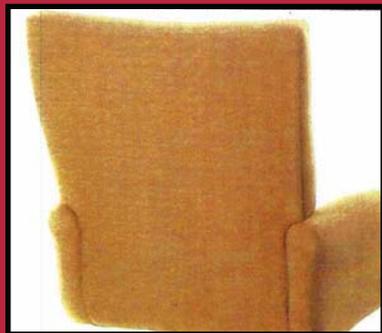

Executive Seating

\$519

Conventional reclining action is provided by a swivel-tilt mechanism

A fully upholstered back curves gently to give ergonomic support without compromising style

A beveled wooden base cap (available in 8 different colors) emphasizes traditional aspects of the chair's design

The Consult Executive Chair provides you with a finely sculpted, tailored piece of furniture that allows you to choose the options that make it the perfect fit for your office.

The Consult is available as a 45" high back or a 38" low back version with your choice of upholstery. Coordinating fabrics panels can be used on the arms and back for greater visual impact, and the back can be tufted by an upholstered wooden button, if desired.

Even the five-star base of the chair can be customized. It is available in durable fiberglass-reinforced nylon, sleekly modern polished aluminum, or warm, traditional stained wood. The wood option can be further specified with beveled or rounded edges.

Guide

Guest Seating

\$400

Graceful, contoured open arms blend beauty with ergonomics

Guide's wood-frame back is fully upholstered in a wide range of fabrics

Elegantly crafted frames of Beech hardwood features tapered legs

Generously sized seat and back are amply cushioned and padded for supreme comfort through the use of webbing and foam

Gentility meets high performance in this classical European-styled wood-framed chair. The Guide Guest Chair's light and graceful lines lend elegance and old-world charm to any environment.

The deep cushioned seat and gently contoured back provide comfort and support, while the wooden frame offers durability and timeless appeal. The Guide has a luxurious seat, measuring 19-3/4" wide and 18-1/2" deep. Guests of varying shapes and sizes will have roomy comfort.

The classically crafted wooden frame features open arms and tapered legs.

Ithaca

Features & Benefits

Navigator Nesting

Features & Benefits

The Navigator Nesting Chair is a multi-purpose chair which provides the comfort and mobility of an articulating pedestal chair at a lower price.

\$249

May be able to provide special price for larger orders

An integrated handle molded into the back makes moving chairs simple and easy

The back flexes for exceptional comfort

Large diameter casters (60mm) provide ease of mobility

Choose from dimpled poly or upholstered back options

Arms, armless, or tablet arms (left or right) can be specified

A plush seat provides enhanced comfort over extended periods of time

Seats flip-up to allow chairs to nest for ease of transport or storage

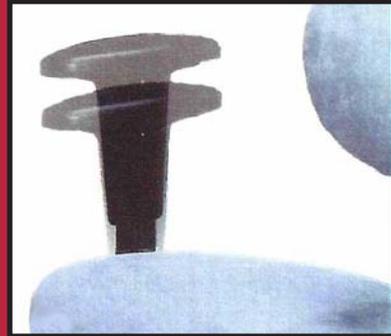

Sapphire

Level One Task Seating

\$249

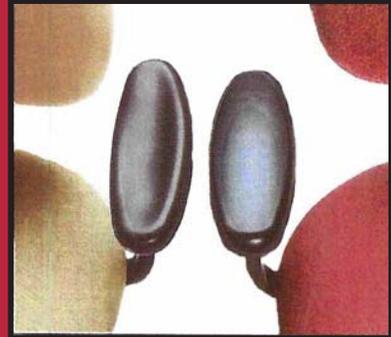

Fixed, stylish, and comfortable cantilever arms

Fully adjustable T-arms can be adjusted horizontally or vertically

Durable 5-star base has 50mm dual cast wheels

(Left) The urethane arm pad has cushioned support, or (right) the poly-arm pad is classic and durable

Sapphire Task Seating is an all-around seating choice for all office settings. The contoured seat and back provide the necessary ergonomic comfort. The Sapphire offers a blend of comfort, appearance, and function needed for any workplace environment.

Sapphire's wide seat and back supports and wraps around users. The waterfall seat increases comfort and allows for unrestricted circulation. Sapphire Level One is equipped with a swivel seat, seat-height adjustment and a back-depth adjustment. Choose from an armless chair, fixed cantilever T-arms, or fully adjustable T-arms that adjust vertically and horizontally. Arms can be specified as poly or as a contoured padded urethane option.

Sapphire Level One is available in black only.

Vata

Features & Benefits

\$409

Vata is a task chair that heightens the sense of unity between your office chair and the human body.
