DESCRIPTION: Institutional Operations – Rules and Discipline	REVIEW MONTH: December	 KELLIE WASKO SECRETARY OF CORRECTIONS	

I. POLICY

It is the policy of the South Dakota Department of Corrections (DOC) that every offender committed to the custody of the DOC must provide a DNA sample as ordered by DOC staff and required by law, unless it is verified the offender previously provided a sufficient sample and the sample and identifying information is documented in the state's Combined DNA Index System (CODIS).

II. PURPOSE

The purpose of this policy is to provide guidance to all staff for the collection and documentation of deoxyribonucleic acid (DNA) from offenders.

III. DEFINITIONS

Adjudicated Delinquent:

Any child ten (10) years of age or older who, regardless of where the violation occurred, is found by a court to have violated any federal, state, or local law or regulation for which there is a penalty of a criminal nature for an adult; except state or municipal hunting, fishing, boating, park, or traffic laws that are classified as misdemeanors, or petty offenses.

Deoxyribonucleic Acid (DNA) Sample:

A biological sample consisting of deoxyribonucleic acid (DNA) taken from an offender for submission to the South Dakota Forensic Laboratory, pursuant to SDCL Chapter § 23-5A, for storage and/or analysis.

Qualifying Offense:

SDCL 23-5A-1(8) Any felony offense under the laws of South Dakota, a crime of violence, as defined in SDCL § 22-1-2, or a violation of chapter 22-22 (sex offense). Includes any offender who is required to register as a sex offender, pursuant to SDCL § 22-24B-1 to 22-24B-14, inclusive.

IV. PROCEDURES

1. Requirements:

SECTION	SUBJECT	DOC POLICY	Page 2 of 3
Institutional Operations – Rules and Discipline	Offender DNA Collection	1.3.C.10	Effective: 01/15/2024

- A. Any adult offender (eighteen (18) years of age or older) sentenced and admitted to a DOC facility, or adjudicated delinquent remanded to the DOC for a qualifying offense, is required to provide a DNA sample at the time of admission, provided he/she has not previously provided sufficient sample and the offender's name and identifying information is not entered into the Combined DNA Index System (CODIS).
1. This requirement includes offenders received or housed in an out-of-state institution, a halfway house, or contractual facility, and those offenders under supervised release by the DOC but received or living outside of the state.
 2. Offenders sentenced to capital punishment or life in prison who have committed a qualifying offense are required to provide a DNA sample.
 3. The acceptance of an offender from another state through the interstate compact program, other agency reciprocal agreement, or any provision of law convicted or adjudicated of an offense in any jurisdiction which would be considered a qualifying/equivalent offense in South Dakota is conditional upon the offender providing a sufficient DNA sample, in accordance with this policy and state law.
 4. Adult offenders serving the incarceration period for receipt of a suspended imposition of sentence (SIS), are subject to providing a DNA sample.
- B. If an offender's DNA sample is determined inadequate for any reason, the offender shall be required to provide an adequate DNA sample for submission to CODIS.
- C. Offenders required to provide a DNA sample must provide a completed fingerprint card to verify identity.

2. DNA Collection:

- A. Jameson Prison and South Dakota Women's Prison will designate at least one (1) staff person who is trained and responsible to collect DNA samples from new admission offenders who have not previously provided a sufficient DNA sample to CODIS. The staff will also confirm that all offenders scheduled to discharge or release from the custody of the institution have completed the requirement to provide a sufficient DNA sample.
- B. Juvenile corrections agents (JCAs) will ensure all juvenile offenders required to comply provide a sufficient DNA sample during the intake process. A compliance tracking process through the Division of Criminal Investigations (DCI) identifies juveniles who have not yet complied with the DNA requirements with monthly notification to the director of Juvenile Services.
- C. The state forensic lab provides the DOC with directions and materials used to collect biological samples, cheek (buccal) swabs from offenders who have committed a qualifying offense.
- D. Division of Parole and the Division of Juvenile Services staff will ensure all offenders discharging/releasing from supervision have previously completed the requirement to provide a sufficient DNA sample to CODIS.
- E. Staff members responsible for collecting DNA samples from offenders will verify the status of an offender's sample with the electronic database maintained by CODIS, which can be found at: <http://www.riss.net>.
1. To sign into the database, a name and password must be entered. Names and passwords are issued by the SD DCI.
 2. If an offender's name/identifying information appears in the database, a DNA sample will not be collected by DOC staff, unless otherwise directed.
 3. If an offender's name/identifying information does not appear in the database, a DNA sample will be collected from the offender.

3. Refusal to Provide a DNA Sample:

SECTION	SUBJECT	DOC POLICY	Page 3 of 3
Institutional Operations – Rules and Discipline	Offender DNA Collection	1.3.C.10	Effective: 01/15/2024

- A. Under no circumstance will an offender required to provide a sufficient DNA sample be released from DOC custody or supervision until the offender has provided the required sample to DOC staff.
- B. Any offender subject to the requirements of chapter 23-5A, who, after receiving notification of the requirement to provide a DNA sample, knowingly refuses to provide such DNA sample, is guilty of a Class 5 felony.
- C. The attorney general’s office will be notified immediately of any offender who refuses to provide a DNA sample.
- D. If an offender refuses to provide a DNA sample DOC staff may employ reasonable force to obtain the DNA sample from the offender at the discretion of the attorney general, warden, and director of Prisons.

4. Control of DNA Samples:

- A. DNA samples collected pursuant to this policy will be forwarded to the South Dakota Forensic Laboratory CODIS.
 - 1. DOC staff will treat any DNA record or sample collected from an offender as confidential and will not disclose or share identifying information or the sample with any unauthorized person or agency.
 - 2. Any DNA sample submitted to the South Dakota Forensic Laboratory pursuant to this policy, is confidential and is not a public record.
 - 3. Analysis of DNA samples obtained pursuant to this policy is not authorized for identification of any medical or genetic disorder.
 - 4. The DOC will be notified of any offender hit report involving an offender DNA profile match.

V. RESPONSIBILITY

The director of prisons is responsible for the annual review and revision as necessary of this policy.
