DESCRIPTION: Rules and Discipline	REVIEW MONTH: November	 KELLIE WASKO SECRETARY OF CORRECTIONS	

I. POLICY

It is the policy of the Department of Corrections (DOC) to *govern the control of personal property belonging to offenders* [ACA 5-ACI-5A-06]. Offenders may be allowed to possess items of personal property; however, the DOC will *specify the personal property offenders can retain in their possession* [ACA 5-ACI-5A-07].

II. PURPOSE

The purpose of this policy is to prescribe consistent limitations for the volume and type of property allowed to be maintained by an offender and to provide instructions for the acquisition, identification, transportation, storage, and disposal of offender property for safety, health, and hygiene concerns - as well as to control contraband.

III. DEFINITIONS

Contraband:

An unauthorized item that is not permitted in the institution or is not sold in commissary. Approved items may be contraband if altered, possessed in a higher quantity than authorized, used in ways for which it is not intended, or obtained through an unapproved source.

Disposed:

To dispose of through destruction, transfer, discarding, or donation.

Personal Property:

Personal property includes all property owned by or in possession of an offender that is not state owned or otherwise issued to the offender on behalf of the Department of Corrections. Includes items an offender is permitted to possess pursuant to policy, institutional operations memoranda or directives.

IV PROCEDURES

1. Allowable Offender Personal Property:

- A. A comprehensive list of allowed personal property shall be maintained and kept current (See attachment #2 – *Universal Property List*). The property list shall include a description of the property item, quantity and how this may be obtained
 1. Offenders may obtain personal property not offered by the contract commissary vendor through approved vendors, i.e., craft supplies, religious and cultural items, and printed matter, provided this is sent directly from the vendor to the offender.

2. Sufficient *space is provided for storing personal property of offenders safely and securely* [ACA 5-ACI-2E-10]. The quantity of property and storage space may be limited for safety and security reasons.
 3. Offenders may **not** accumulate excessive amounts of printed matter (including legal materials) within their cell/room. All paper materials must fit in the approved space or container. Staff shall determine at what point excessive paper materials pose a fire hazard, sanitation concern or otherwise adversely impact the safety, security, and disciplined operation of the institution.
 - a. The DOC attorney will be contacted in the case of excessive legal materials to verify if the offender has an active case pending. Offenders with an active case may be granted additional storage space while the case is pending.
 4. All personal property in an offender's possession at the time of admission to a DOC institution which the offender is not approved to possess, must be mailed out or otherwise disposed of at the expense of the offender. If an offender refuses to mail out or dispose of the prohibited property, the property will be disposed of by staff.
 - b. All new admission offenders are required to complete the Admission Document (See Attachment 1) at the time of admission to the institution.
 5. Offenders are not allowed to retain in their possession, property (including legal materials or correspondence) belonging to or issued to another offender.

 7. Offenders are not allowed to possess in their cells any material containing nudity and/or sexually explicit conduct.
 8. Once personal property has been worn out, damaged, or altered, offenders may be requested to send out their property at their own expense or have it disposed of. A disposition request will be filled out.
- B. Staff are responsible for enforcing offender compliance with personal property rules and requirements. Offender personal property is subject to search at any time.
1. Regular searches of offender property will be conducted to ensure compliance with property rules and to identify threats to safety or security.
 2. Possession of contraband by an offender may result in disciplinary action. Contraband found in an offender's possession will be confiscated, identified, and processed, in accordance with approved institutional practices and procedures.
 - a. Staff will dispose of contraband in accordance with accepted institutional practices and procedures.
 - b. Confiscated state property that has not been altered, damaged, or destroyed will be returned to the state. Damaged, destroyed or altered state property will be removed from inventory and properly disposed of, at the discretion of the Warden or designee.
 - 1) Offenders may be assessed all or a portion of the actual replacement cost for lost, damaged, destroyed or altered state property.
 3. No alcoholic beverage, marijuana or weapon may be possessed by any offender (See SDCL § 22-1-2(10)). Offenders may not have in their possession, any prescription or nonprescription drugs, controlled substances, or other article of indulgence, except as authorized by Health Services.

 5. Offenders are not entitled to reimbursement or compensation for personal property that has been lost, stolen, confiscated, sent out or otherwise properly disposed.
- C. The DOC reserves the right to change allowable personal property limits and items. Notifications of changes will be shared with the offender population.
- D. Offenders may obtain personal property through the following methods:
1. Authorized property retained by the offender upon admission to the institution.
 2. Property purchased by the offender through the institutional commissary system.

- E. Offenders may not trade, loan, barter, sell, give, or transfer any item of personal property to staff, a visitor, contractor, volunteer or other offender.

2. Forfeiture of Personal Property:

- A. In compliance with SDCL § 24-2-9, offenders may be subject to forfeiture of personal property through disciplinary sanctions, usually for safety, security, or disciplinary reasons.
1. If the Disciplinary Hearing Officer (DHO), Unit Disciplinary Committee (UDC), Restrictive Housing or other authorized staff order an offender to forfeit a property item, the offender will be informed of the length of time which the item(s) shall be forfeited.
 2. Offenders will not have access to forfeited property unless granted access by staff for specified reasons.
 3. During the forfeiture period, the offender will not be allowed to purchase or possess the specified property.
 4. Offenders who do not currently possess a property item specified for forfeiture will not be allowed to possess or acquire the item until the expiration of the sanction.
- B. Any approved property item temporarily forfeited by an offender shall be stored in a designated, secure area of the institution until the property is returned to the offender.
- C. Offenders may appeal an order to forfeit personal property through the Grievance process.
Any medical devices or healthcare appliances are to be returned to the clinical services department and not disposed of.

3. Recording and Tracking Personal Property:

- A. Each institution will follow a standardized system within the Comprehensive Offender Management System (COMS) to record and track specified items of offender personal property. ***Personal property retained at the institution is itemized in a written list that is kept in COMS [ACA 5-ACI-5A-08].***
1. The recording of offender personal property does not create or infer liability of the DOC or its staff for said property.
 2. Certain items of personal property reported by an offender as lost, stolen or missing, will be listed on the offender's property record as such. The offender may be allowed to purchase replacement property as authorized by staff. Offenders are responsible for reporting lost, stolen, missing, damaged or destroyed personal property to the property office or OIC.
 3. If the lost, stolen or missing personal property item is located and can be returned to the offender, the offender will be required to send out or destroy any property item(s) in the offender's possession that is in excess of established limits.
- B. Offenders possessing personal property are required to sign the *Admission Document* (See Attachment 1).
1. Offenders may be compensated for lost or damaged personal property, if the loss or damage is determined to be caused by a negligent act or omission by another.
 2. The DOC and its staff are not liable for damages, actions, claims, demands or expenses or costs of whatever kind or character in connection to an offender's personal property resulting from the acts or omissions by the offender or another offender.
 3. Offender personal property may be mailed out of the institution to a destination of the offender's choice, at the expense of the offender, in accordance with DOC policy. Select items of property sent out or disposed of must be documented on the offender's property list.
 4. Offender wedding bands, watches, earrings and medallions may not contain stones and will not have a value that exceeds thirty-five dollars (\$35.00).
 5. Offenders may submit an Grievance for property claims involving lost or damaged personal property allegedly caused by the actions of a staff member.

- C. The institution's property inventory system constitutes proof of ownership by the offender. The property inventory system does not establish or provide proof of value of a personal property item.
- D. The ability to acquire and possess personal property is a privilege. References to personal property do not establish an ownership interest in the property superior to policies, rules and procedures of the institution or DOC.
- E. When an offender is temporarily removed from an assigned cell, including hospital stays, court, placement on disciplinary or IP status, or other temporary restricted status where an offender will be absent from their cell for an extended period of time. Staff will ensure the offender's property is promptly removed from the cell, packed, inventoried and stored in a designated secure location. As time allows, and when permitted, the offender will be allowed to pack his/her property.

4. Healthcare Appliances and Americans with Disability Act (ADA) Assistive Devices:

- A. Health care appliances and assistive devices will not be included in the volume limit for offender property.
- B. All allowable health care appliances and assistive devices will be added to the offender's computerized property inventory. Facilities have the authority to mark devices as they determine necessary.
- C. Any healthcare appliance that is determined to be modified will be sent to Clinical Services for evaluation and disposition. No assistive devices may be removed from an offender's possession without clinical services review.
- D. Healthcare devices such as hearing aids, orthotic braces, canes, crutches, walkers and wheelchairs shall not be removed from the offender's immediate property for transport. Healthcare devices shall remain with the offender.

5. Disposal of Contraband Items

- A. Items not defined on the allowable property list are considered contraband items. Additionally, offenders are not allowed to possess engraved items with another offender's identification number, and possession of property with another offender's number may lead to disciplinary action. The item(s) will be confiscated, and either destroyed or sent out of the institution.
 - 1. If the item is to be sent out of the institution, the unit staff will arrange for the item to be sent out at the offender's expense.
 - 2. If the item is to be destroyed, the unit staff will dispose of the item in the unit's "contraband barrel."
 - 3. Unit staff will notify the Property Office of the fact the offender's item was sent out or destroyed. The Property Office will note on the offender's personal property record in COMS the date, the property item, and whether the item was sent out or destroyed.

6. Disposal of Personal Property:

- A. Procedures for disposing of all contraband and offender personal property, will be consistent with DOC policy, state, and federal laws.
 - 1. Disposal of excess, damaged or worn-out state-issued clothing items such as shoes, pants, socks, shirts, t-shirts, etc., must be conducted by turning the worn-out state-issued clothing items into the Laundry. The Laundry Supervisor will arrange for replacement of the excess, damaged, or worn-out state-issued items up to the amount allowed.
 - 2. Staff will dispose of excess, damaged, or worn-out commissary clothing by placing in the garbage.

3. Clothing in excess of the amount allowed as listed in the *Universal Property List* (Attachment 2) will be considered contraband and will be confiscated. Disciplinary action may be taken.
- B. Following an offender's death or escape all tangible personal property of the offender may be sold, donated to charity, discarded, returned to an heir, or used for the benefit of the institution, in accordance with SDCL § 24-5-5.
 - C. ***Following an offender's discharge*** from DOC custody, ***all personal effects and contraband will be given/returned*** to him/her [ACA 5-ACI-5F-05].
 - D. All documentation of discarded, donated, or destroyed property will be maintained for three (3) years from the date the property was disposed.
 - E. The DOC, institutions and staff are not responsible for the personal property of an offender who absconds from DOC custody. Offender personal property left on DOC property after an offender departs from DOC custody or supervision without proper authority is considered to be abandoned property. Staff are not responsible for inventorying, collecting, or storing abandoned offender personal property.
