DOC staff will assist offenders who require identification documents in acquiring such documents, including assistance with applications for duplicate identification documents and renewing valid state issued identification cards and driver licenses.

II. PURPOSE

The purpose of this policy is to establish procedures to aid eligible DOC offenders in their preparation for release by obtaining documents that assist with proving identity, age, name, and/or lawful presence so that they may pursue employment and necessary services for stabilization upon release. The Department's expectation is to ensure that each offender released from a correctional facility who is eligible for a state-issued identification card and who participates in the procedure, has a state-issued identification card upon release.

III. DEFINITIONS

Authorized DOC Official:

A staff member located with the DOC Records office assigned to complete certain duties associated with the identification process. Must be approved by the secretary of corrections (SOC).

Immigration and Customs Enforcement (ICE) Holds/Detainers:

Often referred to as immigration holds. Holds are used to detain undocumented immigrants or immigrants who have been convicted of certain felonies in this country, pending transfer of custody to immigration officials.

IV. PROCEDURES

1. Staff Responsibilities:

- A. Case managers will interview offenders upon admission to determine if the offender has access to their Social Security card, original or certified copy of their birth certificate, and a valid, not expired state driver license or state ID.
 - 1. The status of each document will be documented in the personal information section (under “Booking”) in the comprehensive offender management system (COMS).
- B. Offenders who do not have access to their Social Security card, birth certificate, or certified copy of their birth certificate, will complete an application to request these documents with assistance from case management.

2. Criteria to Determine an Offender’s Authenticity of Identity:

- A. Tasks to be completed by admissions and orientation (A&O) staff include the following:
 - 1. Staff will verify the offender’s date of birth and social security number with existing records. Staff will determine if the offender was admitted with a social security card, birth certificate, valid (not expired) driver license, or if a copy of any or all of these documents is available. If no such documents exist, staff will ask the offender if they have reasonable access to each of these ID documents.
 - a. If the offender was admitted with a social security card, valid driver license, state ID, legal name change documentation, or birth certificate, these documents, or copies of such, will be collected and forwarded to the facility transition case manager for appropriate tracking and storage.
 - b. Offenders may request to have their social security card, valid driver license, state ID, birth certificate, legal name change documentation, or copies of these documents, mailed to the facility through the offender correspondence system.
 - 1) Mailroom staff will notify the offender and/or the offender’s case manager of the receipt of any identification documents or copies of such documents that are received by the mailroom. The documents shall be retained by the offender’s facility transition case manager and placed in secure storage if access to the documents is required.
 - 2. If an offender is received without a social security card, birth certificate, or valid driver license or state ID, and does not have access to these documents or chooses not to request these be sent into the facility from the outside, case managers are required to document in the Personal Information section (under Booking) in COMS that the offender does not possess these documents. Staff will update this section upon the receipt of any identification documents (duplicates or original), including renewal of the offender’s driver license or state ID. Offenders will have their photo taken, including photos of any scars, identifying marks or tattoos.
 - 3. All offenders will be fingerprinted when the Transaction Key check box is checked on the Key Date screen and a record created in COMS.
 - a. The intake/case management staff will compare the offender’s physical characteristics against existing photos, fingerprint records, physical description, assigned ID numbers and demographics, e.g., sex, race height, weight, eye color, hair color, with existing Federal Bureau of Investigation (FBI), SD Division of Criminal Investigation (DCI), and National Crime Information Center (NCIC) records as part of the process to determine and verify an offender’s identity.

B. Tasks to be completed by the intake staff at the time of an offender's admission include:

1. New admission offenders will have an NCIC III background check completed based on their legal name (name on sentencing paperwork) and date of birth.
 - a. Each time a background check is completed, central records staff will compare the data received to existing data to identify any inconsistencies or new information that is revealed in the report.
2. A *New Offender Interview Questionnaire* (attachment #1) will be completed for each offender by intake staff at the time of admission.
 - a. The intake staff will conduct a face-to-face interview with all new admission offenders and complete the New Offender Interview Questionnaire.
3. Review the offender's pre-sentence investigation (PSI) if one was completed. Staff will compare the information in the PSI to existing records and information to establish or verify the offender's identity.
4. Review the judgment papers to confirm the offender's name, date of birth, and any aliases used by or associated with the offender.
5. Review of any official government issued documents which establish or identify the offender's identity.
6. Review of any prior juvenile or adult SD DOC records. Such records shall be used to compare the offender's identity at the time of incarceration/adjudication to current records establishing identity.

C. If the intake staff identifies an offender is not a U.S. citizen, the following procedures shall be initiated:

1. An *ICE Hold Inquiry* (attachment #2) will be completed and emailed to current ICE agent.
 - a. A notation will be documented on the Holds/Warrants/Detainers screen in COMS.
2. Once the offender's immigration status has been determined by ICE, the Alien Registration Number (ARN) will be entered in the Personal Information Screen in COMS. If ICE issues a hold/detainer, this will be recorded on the Holds/Warrants/Detainers Screen in COMS.
3. If a hold/detainer is initiated, a copy of the paperwork will be placed in the offender's legal file. The offender will be notified of the hold/detainer by central records.
4. After an offender's citizenship status has been verified, this will be noted on the Personal Information Screen in COMS.

3. Application for a Birth Certificate (U.S. Citizens):

A. Intake staff will review all offenders received to determine if the offender has an original or certified copy of their birth certificate, or access to the certificate. The results shall be documented in the Personal Information section (under Booking) in COMS. Case management staff will assist any offender in obtaining a certified copy of their birth certificate.

B. Application for South Dakota birth certificates:

 - 1) *Birth Certificate Application Cover Letter*, with the offender's signature.
 - 2) Application for a certified copy of a birth record/birth certificate from that state.

 - 4) A copy of the authorized DOC official's ID badge (both front and back-if required), and
 - 5) The check.

4. Application and Renewal of a South Dakota State ID or Driver License:

- A. The DOC will be provided a monthly list by the Department of Public Safety (DPS) identifying those offenders and parolees currently issued a South Dakota driver license or State ID. The list is available at M:\DOC\Offenders Driver's Licensing. All offenders with a possible release date within twenty-four (24) months shall have their record in the "Personal Information Screen" (OIDPINFO) in COMS reviewed by case management staff to determine if the offender has an active driver license or identification card.
- B. The list shows the status of an offender's driver license (DL) or state identification card (ID) and whether the offender may renew the DL or ID or request a duplicate through the paper application process. Those who have not met the federal requirements of verifying their identity with the SD Driver Licensing office may not renew or request a duplicate DL or ID while in DOC custody.
- C. If the offender does not have a valid DL or ID documented in COMS, the following steps will be taken:
 1. Case management staff will determine whether the offender is eligible to apply for a DL or ID through the mail by accessing the driver's license file at M:/DOC/Offenders Driver's Licensing.
 - a. If the offender is NOT eligible for a DL or ID, this information must be documented in COMS on the Personal Information Screen (OIDPINFO) with the answer of DLNNNN (No-Offender does not have active).
 - b. If the offender is eligible for a DL or ID through the mail, case management staff will meet with the offender to determine if the offender has the DL or ID available and ask them to send this to DOC.
 - 1) When the DL or ID is received, this will be documented on the personal information (OIDPINFO) screen in COMS with either DLYY (Yes with institution) or DLY (Yes with transition staff) and placed in the institutional file.
 - 2) If the offender refuses to have the DL or ID sent to the DOC, this will be documented on the personal information (OIDPINFO) screen in COMS with DLNNN (NO-Offender refuses to send in).
 - 3) If the offender does not have an DL or ID, but is eligible to apply, case management staff will determine if the offender has a means to pay for the renewal or duplicate at the time of application.
 - a) If "yes", the offender will submit a commissary slip for a check to be issued from their account to the Department of Public Safety.

- b) If “no”, (indigent, or lack of sufficient funds at the time the renewal) DOC will assume the responsibility of paying for the DL or ID.
2. Applying for a renewal or duplicate DL or ID:
 - a. The offender must complete the application.
 - b. Case management staff must prepare a *Driver Licensing Cover Letter* on department letterhead (attachment #7), as this serves as verification of the offender’s identification.
 - c. Case management staff must include a printed DOC discharge ID photo of the offender from the Physical Identifiers (OIDPIDEN) screen, along with the application and letter on department letterhead.
 3. After the renewal or duplicate license or ID is received, case management staff must document this on the Personal Information (OIDPINFO) screen in COMS with either DLYY (Yes with institution) or DLY (Yes with central records).
 - a. The fee for a duplicate SD ID or driver license is fifteen dollars (\$15).
 - b. The fee to renew a SD driver license or ID is twenty-eight dollars (\$28). Checks or money orders will be made to “Department of Public Safety” and mailed along with the South Dakota Driver License/I.D. Card Application to:

Driver Licensing

 4. Offenders with a valid DL or ID set to expire while in DOC custody, who are not within twenty-four (24) months of their release, may renew their DL or ID. The same processes described for offenders within twenty-four (24) months of release shall apply.
 5. Licenses may be renewed one hundred eighty (180) days prior to expiration. There is a thirty (30) day grace period after the license has expired to renew. If the license is expired for more than thirty (30) days, the offender will be required to apply for a license at the driver exam station and complete the written knowledge test.
 6. Parole Services staff may access the driver license file to verify a parolee has a valid driver license or determine whether a parolee is eligible to apply for or renew a driver license.
- D. Offenders currently incarcerated for a third or subsequent DWI offense, vehicular battery, vehicular homicide, hit and run with injury, or the equivalent if sentenced outside of South Dakota, are not eligible to apply for a driver license while in the custody of the DOC per SDCL.
1. Any offender prohibited by law from operating a vehicle on a public roadway (includes revoked or suspended license), is ineligible to apply for or receive a driver license while in the custody of the DOC. The offender may apply for a state ID.
- E. Offenders will normally only be approved to apply for or renew a SD class 1 driver license.
1. Testing for, or renewal of other classes of licenses, such as a commercial driver license (CDL), must be approved by the offender’s case manager. Case management staff may contact the offender’s employer to verify the need for a CDL. The offender shall be responsible for all additional costs and fees associated with applying for or renewing a CDL.
 2. Approval to renew a driver license issued outside of South Dakota will be considered on a case-by-case basis by the offender’s case manager.

5. Institutional Employment Requirement:

- A. All offenders must have a valid social security number to be paid employment wages by the DOC, Prison Industry Enhancement Certification Program (PIECP), Pheasantland Industries (PI), or public employer. SECTION	SUBJECT	DOC POLICY	Page 6 of 9
Offender Services	Offender Identification Procedures	400-01	Effective: 09/15/2024

- B. If an offender reports he/she does not have a valid social security number, or the number is determined to be invalid or cannot be verified, the offender is “volunteer only” and cannot be paid a wage for work performed. The offender may be assigned extra duty hours and institutional support assigned in accordance with SDCL and DOC policy.
- C. Offenders sentenced under an alias but possessing identification documentation matching their legal name with their Social Security number, may be assigned an institutional job and paid a wage.
- D. If an offender’s name does not match the IRS’s record associated with the Social Security number submitted for the offender, this will be noted on the Alias and Other Identifiers screen in COMS “No Work/Volunteer Only”. This will inform staff the offender may not be paid job wages until the offender’s legal name can be matched to the Social Security number assigned to the offender by the IRS.
- E. The DOC is required to submit an annual report containing the names and Social Security numbers of all offenders who have earned wages for IRS purposes (form 1099) to the Bureau of Finance and Management (BFM).

 4. Provide assistance to the offender in obtaining necessary documents and information, i.e., documents showing/verifying identity and proof of age (originals of these documents may be included in the offender’s application and will be returned by the Social Security Administration to the offender). **Note:** In these situations, the address block on Form SS-5 will not reflect the institution’s name, the offender’s Prison System Identification Number, or the name of the authorized DOC official, unless the offender also completes a Form SSA-3288, which allows the SSA to send the Social Security card to the facility.
- B. Any time an offender’s identity cannot be verified, and the offender is seeking a duplicate Social Security card, case management staff will follow the guidelines prescribed in the Application for a Social Security Card Outside the Provisions of the MOU to assist the offender in obtaining a duplicate Social Security card.
