SOUTH DAKOTA DEPARTMENT OF CORRECTIONS

FISCAL YEAR 2019 ANNUAL REPORT
OUR MISSION
To protect the citizens of South Dakota by providing safe and secure facilities for juveniles and adult offenders committed to our custody by the courts, to provide effective community supervision to offenders upon their release and to utilize evidence-based practices to maximize opportunities for rehabilitation.

OUR VISION
A national leader in corrections that enhances public safety by employing evidence-based practices to maximize the rehabilitation of offenders.

OUR VALUES
We value our staff as our greatest asset.
We value a safe environment for staff and offenders.
We value community support and collaboration.
We value public trust in the operation of our department.
We value the use of evidence-based practices to maximize offender rehabilitation.
We value diversity and the respect for all individuals.
We value professionalism, teamwork and the highest standard of ethics.
We value investment in our staff through training in sound correctional practice and through the provision of opportunities for development and career advancement.
In December 2018, Governor-elect Kristi Noem nominated Hughes County Sheriff Mike Leidholt, a past president of both the National Sheriffs Association and the South Dakota Sheriffs’ Association, to serve as Secretary of Corrections.

In January 2019, Secretary Leidholt’s appointment was unanimously approved by the State Senate.
Greetings!

I was honored to be asked by Governor Noem to serve as the Secretary of Corrections. I’m grateful for this opportunity to continue serving the people of South Dakota.

I served in law enforcement for over 43 years and spent 24 years as the Sheriff of Hughes County. I have always respected and admired correctional professionals. The work that we do is challenging to say the least. I appreciate the fact that our staff comes to work every day, dedicated to providing the best service they can in their job assignment. Their efforts are very much appreciated. When the days are long and difficult, I hope they’ll remember that they are making a difference and are appreciated. My prayer every day is that our staff remain safe in their duties and leave their shift a stronger and more resilient person.

We must improve our systems to prevent crime and strengthen parole, reentry, and rehabilitation programs while respecting every taxpayer dollar.

I look forward to working with this team to take on these challenges together!

Mike Leidholt
Cabinet Secretary
SD Department of Corrections
At the end of the fiscal year, there were 3,819 state prison inmates (3,298 males and 521 females), a decrease of 182 inmates from the end of fiscal year 2018, which was an all-time high 4,001.

The FY 2019 average daily count of 3,866 inmates was 43 less than the FY 2018 ADC. The male inmate average daily count has increased from 3,066 in FY 2010 to 3,318 in FY 2019. The female average daily count has increased from 384 in FY 2010 to 548 in FY 2019.

Overall juvenile placement numbers continue to decline, with the total DOC juvenile population decreasing from 611 at the end of FY 2014 to 198 at the end of FY 2019. The number of juvenile commitments to DOC has decreased from 220 in FY 2014 to 79 in FY 2019. The average length of stay in residential placement remained steady for in-state group care programs (DOC paid) from FY 2018 and decreased slightly for out-of-state private placement programs (DOC paid) and for in-state residential treatment programs.

The majority of state prison inmates are serving time for non-violent crimes (52% of males and 87% of females as of June 30, 2019). Nearly two-thirds of female inmates (64%) are serving time for drug crimes, while more than a quarter of male inmates (28%) are serving time for drug crimes. During state Fiscal Year 2019, 7% of female admissions to prison were for violent crimes. A total of 23% of male admissions to prison were for violent crimes.
2019 LEGISLATIVE ACTION

Several DOC-sponsored bills were passed by the Legislature and signed into law by Governor Kristi Noem during state Fiscal Year 2019.
Jameson Annex Health Services Expansion

Senate Bill 174 appropriates nearly $7.4 million for the construction of a health services building and renovation at the Jameson Prison Annex on the grounds of the South Dakota State Penitentiary in Sioux Falls.

The appropriation would provide a total of 8,800 square feet of new space to include the following enhancements: 5 exam rooms in comparison to the 2 rooms currently available; 2 additional dental chairs; additional working space for dental operatories; and an increase in infirmary beds from 8 to 20 to enhance long term/specialized care. The appropriation also provides funding to remodel the vacated infirmary space for Behavioral Health Services to include space for mental health professionals, a chemical dependency counselor, and clinical and group room space.

The Jameson Annex opened in 1993 with 288 beds for male inmates. An additional 192 beds were added in 2006 to the Jameson Annex, with no additional health services space added. The Jameson Annex is home to maximum-security inmates and specialized housing and also serves as the admissions unit for all male inmates.

An architect and Construction Manager at Risk are under contract for the project. Construction is tentatively scheduled to begin in April 2020 and be completed in November of that year.
2019 LEGISLATIVE ACTION

Bills that the DOC sponsored and were passed into law:

House Bill 1003 removes the option for a deferred imposition of sentence if the offender is on parole at the time of a felony possession of a controlled substance or felony possession of a controlled substance by ingestion.

House Bill 1004 clarifies that an initial parole date is calculated on the incarceration term of a partly suspended sentence and makes it clear that all felony criminal history must be applied to the parole date calculation grid in South Dakota Codified Law 24-15A-32.

House Bill 1005 allows a panel of at least two members of the Board of Pardons and Paroles to conduct a clemency hearing, deny the application or recommend the application to the Governor.

House Bill 1006 directs the warden to submit a compliance report within seven days of the date of the application of the credits and the inmate submit their release plan upon completion when an award of Inmate Earned Discharge Credits results in an initial parole date within 30 days.
2019 LEGISLATIVE ACTION

**Other approved legislation included:**

Senate Bill 167 establishes a legislative study of offenses regarding controlled substances. The Secretary of Corrections is among the 15 members involved with the study. The group is charged with studying alternatives to imprisonment for any person charged and convicted of controlled substance offenses in order to more adequately assist the person with substance abuse issues; and possible funding alternatives as well as the financial ramifications of controlled substance offenses on the state, the counties of the state, law enforcement, substance abuse treatment facilities, and any other interested person that may be affected. By statute, the group shall report to the Legislature and the Governor before the beginning of the 2020 Legislative Session, including any draft legislation or policy recommendations.

Senate Bill 59 revises certain provisions regarding public records. The bill states that no state agency or political subdivision can enter into a settlement agreement with a nondisclosure of the settlement terms.

Senate Bill 91 revises certain provisions regarding open meeting requirements, including requirements for public comments.

House Bill 1048 authorizes a public body to conduct certain deliberations in an executive or closed meeting, including discussions about security.

The state Senate unanimously approved the appointments of Mike Leidholt as Secretary of Corrections and Board of Pardons and Paroles members Ed Ligtenberg and Gregg Gass.
Adult Corrections

Work continued in state FY 2019 on both the adult and juvenile criminal justice reinvestment initiatives.

While the prison population at the end of FY 2019 remained above the 2012 performance goal, the total inmate population was 176 below the amount budgeted for in FY 2019. While the percentages of court commitments and probation violators remained steady, the percentage of parole violators increased from 16% in FY 2018 to 20% in FY 2019.

The parole population increased by 348 from the end of FY 2018 to the end of FY 2019. The average parole agent caseload rose by five parolees during that same time period. Half of the inmate releases during FY 2019 were to parole supervision, an increase from 43% during FY 2018.

The percentage of adult offenders who recidivated—returned to prison for a new felony conviction or for a revocation of parole or suspended sentence supervision—within the one year of their release date during calendar year 2017 was 23.4%. That’s a slight increase from those released during calendar year 2016 (23.3%).
Juvenile Corrections

On the juvenile side, efforts continue to provide community-based services for youth in lieu of out-of-home placement. DOC referrals to community-based services such as Functional Family Therapy and Moral Reconciliation Therapy increased by 24-percent during FY 2019.

Juvenile recidivism rates continue declined from the one-year mark of 15.6% for those released in 2016 and have been out for one-year to 10.6% for those released in 2017. Juvenile recidivism includes offenders who have their aftercare supervision revoked, are adjudicated for a new offense and recommitted or remanded back to DOC and those who commit a crime and are admitted to adult prison.
Lean Projects

The DOC began working on government quality improvement projects in fiscal year 2019. Through the support and direction of the Legislative Research Council, the DOC was able to work with ReEngine Consulting to train staff and start three projects to begin our goal of process improvement within our department. The government quality improvement process is a combination of Lean, Six Sigma, and the Theory of Constraints. To be consistent with communication across the department, we refer to this process as Lean.

Lean processes are important for government entities to embrace and implement. Commitment to Lean represents a deep and enduring commitment from the department to the people we serve. By questioning the way processes are done and looking at processes with the idea of generating new and innovative goals to best serve South Dakota, we can work as a team to eliminate waste, increase our responsiveness, and reduce our costs.

In April 2019, DOC launched the first Lean project, revising the monthly department metrics briefing. Other projects involving staff scheduling and the admissions and orientation process also began during FY 2019.
Tribal Parole Program Finalized

The DOC and Flandreau Santee Sioux Tribe (FSST) finalized an intergovernmental agreement for a tribal parole program on September 12, 2018. The FSST has developed a Support Team of community members and professionals, who can assist offenders with transitional difficulties as well as promote positive behavior change in the community. The Team promotes working with parolees in a culturally sensitive manner. A DOC parole agent manages the FSST parole cases under the guidance of the Support Team.

The FSST requires all state parolees living on tribal land (including non-tribal members) to be part of the program. The FSST has granted the DOC parole agent, working under the direction of the Support Team, arrest powers over tribal members in the program, on tribal land. They have also granted tribal police the authority to serve any DOC detainers and warrants off tribal land. At the end of FY 2019, there were 8 parolees taking part in the program.

Job Fairs Held

Several workforce development job fairs were held at the various DOC facilities during FY 2019. Inmates who are close to being released were able to create a resume, fill out applications and interview with prospective employers for available jobs during the job fairs.

The Department of Labor and Regulation and vocational schools also took part in the job fairs.
Correctional Health Care Re-accreditation

All of the DOC facilities received 100 percent compliance and re-accreditation from the National Commission on Correctional Health Care (NCCHC) during FY 2019.

Compliance is measured by a survey team composed of experts. Correctional facilities have adopted policies and procedures, using NCCHC’s standards as a guide to provide constitutionally required care to inmates.

Embroidery Shop Changes

The state Corrections Commission approved the embroidery shop at the Women’s Prison as part of Pheasantland Industries (PI) at a meeting in January 2019.

The South Dakota Women’s Prison has provided embroidery services to state agencies and the Legislature since 2001. In 2018, they fell behind on orders due to the embroidery machines being inoperable. Due to the age of the machines and the cost of repairs, it was determined that it would be more cost-effective to buy new machines. By shifting the embroidery shop at the Women’s Prison to under the supervision of the Garment Shop, Pheasantland Industries was able to purchase two new machines for Pierre.
SIGNIFICANT EVENTS

ASCA Regional Conference
South Dakota DOC hosted the 2018 Association of State Correctional Administrators Midwest Directors Conference in Rapid City, September 18-21.

South Dakota Governor Dennis Daugaard provided a welcome and opening remarks to the conference.

Dr. Caterina Spinaris, Ph.D., LPC, the founding director of Desert Waters Correctional Outreach, presented on corrections fatigue among staff and how to combat it. DOC staff members Jen Dreiske, Jessica Cook, Dusti Werner, Darwin Weeldreyer and Michael Winder also presented during the conference.

The Midwest region consists of South Dakota, North Dakota, Nebraska, Kansas, Iowa, Minnesota, Wisconsin, Michigan, Kentucky, Missouri, Ohio, Illinois and Indiana.

Participants were also able to take in several popular Black Hills attractions, including Mount Rushmore, Crazy Horse Memorial, Deadwood and Sylvan Lake.

South Dakota DOC previously hosted the Midwest Directors in 2008 and in 1999.
Kristi Bunkers, Director of Juvenile Services, was appointed to the Council of Juvenile Correctional Administrators Executive Board in January 2019 as Chairperson of the Midwest Region.

CJCA represents the youth correctional CEOs in 50 states, Puerto Rico and major metropolitan counties and was formed to improve local juvenile correctional services, programs and practices.

Kristi has served as Director of Juvenile Services since March 1, 2016 and has worked with youth in South Dakota for 23 years. In 2011, she was awarded the South Dakota Corrections Association’s Satnan-Canary Award for her dedicated service.

Parole Board Executive Director Doug Clark served as the Midwest region representative on the Interstate Commission for Adult Offender Supervision (ICAOS), including serving as chair of the ICAOS Rules Committee and on the ICAOS Executive Committee.

Doug has worked for the state for 25 years, holding positions in security and unit management before moving over to the parole division.
COMMUNITY SERVICE

DOC crews provided more than two million hours of work for state institutions, state, federal and local government agencies, and non-profit groups during FY 2019.

DOC crews were deployed to several flood mitigation work sites during FY 2019, including Sioux Falls, Elk Point and Jefferson.

**Juvenile Community Corrections**

Melisa Schoeberl, Rapid City Juvenile Corrections Agent, is pictured receiving the Juvenile Community Corrections Team Member of the Year from West Region Supervisor Jason Gillaspie.

**Parole Services**

Jesse Mutschelknaus, above right, is pictured receiving the Parole Services Employee of the Year Award from Doug Clark, Executive Director of the Board of Pardons and Paroles.
State Penitentiary
Tonya Swan, above left, was named 2018 Employee of the Year for the State Penitentiary. She received her award from Chief Warden and Director of Prison Operations Darin Young.

Mike Durfee State Prison
Dustin Dummer, above right, is pictured receiving his 2018 Employee of the Year award from MDSP Deputy Warden Kris Karberg.

Women’s Prison
Kyle Klusman, above left, was named Employee of the Year for the South Dakota Women’s Prison in 2018. He is pictured being congratulated by SDWP Warden Wanda Markland.
Former MDSP warden and Director of Prison Operations Bob Dooley, above left, is pictured receiving the Friend of Housing award from Mark Lauseng of the South Dakota Housing Development Authority. Bob oversaw the implementation of the Governor’s House program at MDSP and the security, scheduling and other issues the program presented for the facility.

Officer Darek Ekeren, above left, was named the 2018 Midwest Gang Investigators Association, Dakotas Chapter, Gang Officer of the Year. Darek is a Field Training Officer with the South Dakota State Penitentiary. He is pictured receiving his award from Hunter Summers, SDSP Security Threat Group Coordinator.

Cade Newland, above left, was named 2019 Officer of the Year for the Yankton Community Work Center by the Yankton Lions Club. He is pictured being congratulated by Mark Stoebner, YCWC Unit Manager.

**Note:** Some of the crimes listed above include similar offenses. For example, Possession of a Controlled Substance also includes those inmates serving a sentence for the primary offense of Possession of a Controlled Substance Schedule I, II, III and IV. A complete list of crimes is updated monthly on the DOC website at [doc.sd.gov/about/stats/adult/](http://doc.sd.gov/about/stats/adult/).
STATISTICS

Male End of Year Prison Population by Fiscal Year

The blue graph shows the total population of adult male inmates by fiscal year.

The black line shows the projected number of male inmates if no changes had been made when the state was considering the proposed Public Safety Improvement Act (PSIA).

The green line shows the projected number of male inmates with the proposed changes.
Female End of Year Prison Population by Fiscal Year

The pink graph shows the total population of adult female inmates by state fiscal year.

The black line shows the projected number of female inmates if no changes had been made when the state was considering the proposed Public Safety Improvement Act (PSIA).

The green line shows the projected number of female inmates with the proposed changes.
### Offense Types

**Note:** Offense types are measured in three categories, utilizing the inmate’s primary offense according to the sentencing court. Violent crime designation includes those crimes considered to be violent in South Dakota Codified Law. Non-violent crimes include all other crimes not considered to be violent, with the exception of drug crimes. Drug crimes include possession, distribution and unauthorized ingestion of drug crimes.

A complete list of crimes is updated monthly on the DOC website at [doc.sd.gov/about/stats/adult/](http://doc.sd.gov/about/stats/adult/).

Offenders by County of Confinement
(as of June 30, 2019)
Juvenile Population Summary

Note: The Juvenile Population Summary chart reflects the number of juvenile offenders in placement as well as the number on aftercare supervision on the last day of each month of state Fiscal Year 2019.

Youth Under DOC Care

Note: The numbers above reflect the count of juveniles in DOC care (placement and aftercare) at the end of each state Fiscal Year from 2014-19.
**Average Length of Commitment for Youth Discharged from DOC (Months)**

- FY14: 29.0
- FY15: 29.3
- FY16: 29.8
- FY17: 32.9
- FY18: 33.7
- FY19: 32

**Average Length of Stay in Residential Placement (Months)**

- In-State DOC Paid Group Care:
  - FY14: 7
  - FY15: 8
  - FY16: 6
  - FY17: 4
  - FY18: 4
  - FY19: 4

- In-State Residential Treatment:
  - FY14: 14
  - FY15: 13
  - FY16: 14
  - FY17: 15
  - FY18: 17
  - FY19: 15

- Out of State Private-DOC Paid:
  - FY14: 9
  - FY15: 10
  - FY16: 8
  - FY17: 7
  - FY18: 8
  - FY19: 7

**Note:** This chart shows the average length of commitment (in months) for youth discharged from DOC.

**Note:** This data shows the average length of stay (in months) in residential placement for those youth housed in-state group care, in-state residential treatment and out-of-state private placements for state FY 2014-18.
FY 2019 Budgeted

- Juvenile Services: $15,948,040 (14.19%)
- Adult Institutions: $92,575,481 (82.36%)
- Administration: $3,872,470 (3.45%)

FY 2019 Expenditures

- Juvenile Services: $11,559,783 (10.28%)
- Adult Institutions: $93,500,476 (83.19%)
- Administration: $3,266,427 (2.91%)

**Note:** Includes the total amount budgeted for the Department of Corrections for state Fiscal Year 2019, broken down by administration, adult and juvenile divisions.

**Note:** Includes the total amount expended by the Department of Corrections for state Fiscal Year 2019, broken down by administration, adult and juvenile divisions.

FY 2019 Employees

- Administration: 22
- Parole: 59
- Women’s Prison: 69
- Mike Durfee State Prison: 206
- State Penitentiary: 304
- Pheasantland Industries: 16
- Juvenile Community Corrections: 32
- Inmate Services: 48
