Inmates must sign an *Admission Document*, ([Attachment 2](#)), authorizing the DOC to deposit and transfer funds received for the inmate. The document shall be scanned into the Comprehensive Offender Management System (COMS). The term of the authorization is for the duration of the inmate's current booking. Consent provided by the inmate through acceptance of the Admission Document, as noted by the inmate's signature, shall remain valid until such time as the inmate is discharged from the DOC (has no active bookings), or the inmate provides written notice to the DOC of their intent to withdraw from participation in the Inmate Banking System (IBS).

1. If an inmate refuses to sign the *Admission Document*, the staff member witnessing the refusal shall note/document the refusal in COMS. Staff will provide notice to staff in the applicable business office of the inmate's refusal. No outside funds received for the inmate

- may be deposited on an inmate's behalf into the IBS without a valid, signed *Admission Document* (inmate payroll is exempt and may be posted).
2. Checks or other fund instruments received by the DOC for an inmate need not be endorsed by the inmate.
 3. Consent provided by the inmate through acceptance of the *Admission Document* applies to all funds received by the inmate while in DOC custody, regardless of the source of the funds.

Unreturnable rejected funds an inmate refuses to send out shall be deposited into the confiscated funds account, which is deposited into the state general fund (See SDCL § 24-2-26) at the close of each fiscal month. Inmates are not allowed to receive cash through the mail. The DOC is not responsible for cash or returned/rejected funds.
- C. Inmates may withdraw from participating in the IBS at any time with proper written notice to the DOC through a Revocation of Power of Attorney form ([Attachment 5](#)).
