I Policy Index:

II Policy:

The Department of Corrections (DOC) may award Earned Discharge Credits (EDC) to eligible inmates. **Extension of Confinement:**
Inmates may be released to the community under “extension of confinement”, as provided in SDCL §§ 24-15-14, 24-2-25 and 24-2-27. Inmates released to extension of confinement shall be placed in a residential facility (for example, a halfway house or nursing home) or in a private residence (home-based). Inmates who meet the set criteria for release to extension of confinement will be released as a services release or pre-release.

IV Procedures:

1. Qualifying Behavior:
   A. Inmates may be awarded up to 90 days of Earned Discharge Credits (EDC) for completion of each 360 hours of work, not to exceed 180 days of EDC in a rolling twelve (12) month period.
   B. Inmates may be awarded up to 90 days of EDC for each completion of an academic, vocational or evidence-based program.
   C. Inmates may be awarded up to 365 days of EDC for performing a heroic act, in addition to any other EDC awarded for that time period.

2. General Eligibility:
   A. Inmates are eligible for EDC consideration, with the following exceptions:
      1. Sentences for crimes committed prior to July 1, 1996;
      2. Life sentence or capital punishment sentence;
      3. Inmates held in prison under a sentence of probation (Suspended Imposition of Sentence (SIS) or Suspended Execution of Sentence (SES);
      4. Parolees, regardless of whether held in an institution or community (CTP or detainee or extended detainee status, placed in DOC custody) (does not include parole EDC awarded pursuant to SDCL § 24-15A-50);
5. Inmates held in prison under a sentence issued from any jurisdiction other than the State of South Dakota, including Federal inmates/detainees, tribal or Interstate Compact;

6. Inmates classified as Level 3 System Risk during the review month (See DOC policy 1.4.G.6 System Risk Level), are not eligible for EDC for work or heroic acts.

7. Inmates who have refused to participate in, or have been terminated from any chemical dependency treatment, MRT, STOP, GED, during this booking on their most recent program record or assessment, are ineligible to earn work or heroic act EDC and are ineligible to enroll in vocational programs. Provided the inmate is otherwise eligible, he/she may earn EDC for completion of academic and evidence-based programs. Once an inmate is attending previously refused/terminated program(s), he/she is eligible for work and heroic act EDC and enrollment in vocational programs.

   a. The IEDC Ineligible WIEDC-Term/Refusal Programs "alert" documented in COMS when an inmate refuses programming or is terminated from programming, must be removed before the inmate is eligible for work EDC or vocational enrollment.

   b. Upon offender admissions, all IEDC alerts from prior prison admissions that are related to program refusal should be inactivated by the admission staff so the offender is awarded the opportunity to reenroll in the assessed service on this admission.

3. Evidence Based Program, Academic, and Vocational Program Requirements:

   A. To be considered an Institutional Earned Discharge Credit (IEDC) program, the program must:

      1. Meet the definition of an evidence-based program, academic or vocational program;

      2. Have a defined target population;

      3. Address criminogenic needs;

      4. Have appropriately trained instructors/teachers;

      5. Have written curriculum/manualized programming; and

      6. Have a program fidelity plan and program evaluation plan.

   B. To be designated an Evidence Based (EB) program, academic, or vocational, Attachment 1- EDC Program Requirements form must be completed and submitted to the DOC Evidence Based Program Manager.

      1. An EB Program Review Team, made up of the EB Program Manager and at least two additional DOC staff, will review information provided on Attachment 1 and determine whether the program meets the requirements of an EDC eligible program.

      2. If the program does not meet the requirements of an EDC program, the review team may offer assistance to the instructor/teacher about what changes may be made to the program to meet the EDC program requirements.

      3. The EB Program Review Team will ensure annual audits of approved EB, academic and vocational programs are completed to support program fidelity and review evaluation outcomes, unless there is another process in place that audits approved EB programs. Audits may be completed by DOC staff or contract staff.
4. Program Credits:

A. Upon completion of an EDC program identified in Attachment 2, on or after July 1, 2018 by an eligible inmate, the designated number of days of EDC will be awarded to the inmate.

B. Inmate enrollment in EDC programs will be determined through the application of assessment information, eligibility criteria, department priorities and resource availability.

C. The instructor/teacher, or designee, is required to enter the inmate’s program completion in the Accredited Programs in COMS within two (2) days of program completion.

D. Inmates will receive EDC one time only for completing a particular EB program, unless an assessment supports the inmate complete the same EB program a subsequent time.

E. Inmates placed in the community under Extension of Confinement (EC) (See DOC policy 1.4.G.7 Extension of Confinement), are eligible for credits upon completion of approved community based academic, vocational or EB programs (as determined by the EB Program Review Team). The inmate’s supervising parole agent will notify the Sioux Falls Senior Case Manager of the EC inmate’s EB program completions in the community. The EDC will be applied to the EC inmate’s sentence(s).

5. Work Credits:

A. Upon completion of 360 hours of work, 90 days of EDC may be awarded to eligible offenders, not to exceed 180 days of EDC in a twelve (12) month rolling period. To be eligible for an award of work EDC, the work hours must occur on or after July 1, 2018.

B. Eligible employed inmates in Work Release, extension of confinement, Private Sector Prison Industries and institutional payroll, may be awarded EDC.

C. Inmates may begin to accrue work EDC the month following admission to the DOC.

D. Inmates employed in eligible work, who do not earn a wage for work completed due to not having a valid Social Security number (volunteer only), are eligible for work EDC.

E. Work EDC is recorded through inmate payroll for institutional work and PSPI payroll, via alerts in COMS for inmates on pre-release extension of confinement (EC) (See DOC policy 1.4.G.7 Extension of Confinement) and offender Work Release records in COMS.

F. Hours of work completed from multiple work assignments can be applied to work EDC, up to a maximum of 360 work hours in a twelve (12) month rolling period.

G. Work EDC for inmates employed within the Work Release Program and those on pre-release EC, will be calculated at a rate of 5.7 hours per day to reflect full time employment (40-hour work week).

H. If an offender has an alert which makes them ineligible for work EDC, they are ineligible for that entire month regardless of when the alert was placed on the offender.

I. In the unlikely event work hours are accrued during the same month as the offender is admitted to the prison, those hours will not apply to EDC.
6. **Heroic Acts:**

   A. The Warden may recommend an award of EDC for a heroic act by an eligible inmate within the institution to the Secretary of Corrections.

   B. The Director of Community Service may recommend an award of EDC for a heroic act by an eligible inmate(s) in support of the State Emergency Operations Plan, to the Warden.

   C. The Director of Parole Services may recommend an award of EDC for a heroic act by an eligible inmate released to EC to the Warden.

   D. All recommendations for EDC for a heroic act shall be documented/requested by completing the **EDC Heroic Act Recommendation** form (see [Attachment 3](#)). The Warden shall forward the completed form to the Secretary of Corrections for final action.

   E. The Secretary may (1) concur with the recommendation and grant the inmate heroic act EDC, not to exceed 365 days; or (2) deny the Warden's recommendation.

   F. Approved **EDC Heroic Act Recommendation** forms (see [Attachment 3](#)) will be provided to DOC Central Records for application to the inmate’s sentence. The total EDC shall be specified on the form.

7. **General Administrative Provisions:**

   A. EDC for program completion, work, or combination thereof, cannot exceed 270 days in a twelve (12) month rolling period.

   B. When an inmate releases from a DOC institution (not including release to EC), the inmate’s work hours for determining EDC eligibility returns to zero (0). If the inmate returns to custody, work hours accumulated from an inmate’s prior admission do not carry over and shall not be applied towards hours completed on the inmate’s current admission.

   C. Inmates remain subject to the provisions of their IPD and directives issued by the Parole Board and parole services. An award of EDC does not imply compliance or non-compliance of an inmate with their IPD or other conditions or requirements of the inmate’s sentence (See DOC policy 1.4.B.1 **Individual Program Directives (IPD)**).

   D. Eligible inmates serving SD prison sentences in another jurisdiction may be awarded EDC. Eligibility shall be determined by the Sioux Falls Lead Case Manager.

   E. Inmates who object to determinations or decisions regarding the granting of EDC, as it affects their individual sentence(s), may utilize the Administrative Remedy (AR) process (See DOC policy 1.3.E.2 **Administrative Remedy for Inmates**).

   F. The **EDC Approval Timeline** form ([Attachment 4](#)) serves as a resource on the schedule for work and program credits.

   G. Nothing in this policy may be the basis for establishing a constitutionally protected liberty, property or due process interest in any inmate.

   H. Inmates may request to refuse the application of EDC to their sentence by completing [Attachment 5](#) and returning this form to the Evidence Based Practices Manager.
I. Inmates who choose to refuse EDC are required to sign the *Refusal of Earned Discharge Credits* form (Attachment 5). The refusal is valid for 6 months from the date the form is signed. Inmates are required to renew their refusal upon expiration of the form.

J. Inmates who refuse EDC are not eligible for placement in the Work Release Program or release to EC. The Refusal Acknowledgements form must be signed by the inmate and valid prior to any consideration of placement of the inmate in work release or release to EC.

K. The granting of the refusal is documented by the EBP Manager in COMS as an alert so the individual will not receive further credits.

L. Inmates housed at Virtual Facilities will be awarded credits for completion of qualifying activities when confirmation is received by SD DOC from the custodial facility. Credits for Virtual Facility inmates will not be backdated.

8. Application of EDC to Inmate Sentences:

   a. EDC shall be applied to an inmate’s sentence prior to calculation of the inmate’s initial parole date (See DOC policy 1.1.E.2 *Date Computation* and SDCL §24-15A-50.1). Application of EDC earned after the initial parole date does not impact a next parole review date on that transaction.

   b. In a string of consecutive sentences, credits are applied to the first active sentence.

   c. If an award of EDC moves the inmate to or past their sentence discharge date or suspended sentence release date, the inmate will be released within seven calendar days from the date the application of EDC made the inmate eligible for discharge or release to suspended sentence.

   d. If an award of EDC moves an inmate to within 30 days of their initial parole date, the compliance report required in SDCL § 24-15A-35 will be completed no later than within seven calendar days from the date of the application of the credits.

      1. Inmates eligible for release to their initial parole date upon the application of EDC are subject to policy provisions directing the release of inmates from custody, including but not limited to, DOC policy 1.4.G.2 *Inmate Release Procedure*.
