To promote safe, secure and appropriate housing of inmates, the Department of Corrections will establish standard procedures for the transfer of inmates between facilities. Inmate populations will be managed according to established and approved population capacities, with emphasis on the preservation of staff, offender and public safety and in accordance with sound correctional practices.

III Definitions:

None.

IV Procedures:

1. Authority for Transfers:

- A. The DOC shall follow uniform guidelines and procedures governing the safe transfer of inmates between facilities, thereby ensuring appropriate levels of transfer authority.
- B. No inmate has any implied right or expectation to be housed in any facility, participate in any specific program or to receive any specific service. Inmates are subject to transfer from any facility, program or service at the discretion of the Warden (See SDCL § 24-2-27).

2. Transfer Order Process:

- A. A Transfer Order will be completed to document inter-institutional transfers between facilities, including those on the same complex e.g. South Dakota State Penitentiary (SDSP) and Jameson Prison Annex (JPA), South Dakota Women's Prison (PIR) and South Dakota Women's Prison (PRE) and/or the Pierre Community Work Center (PCWC).
- B. Transfer Orders will be processed by the Classification and Transfer office for all inter-institutional transfers, except when transferring an inmate between the Jameson Prison Annex Secure Units (JPA) and South Dakota State Penitentiary (SDSP) and the South Dakota Women's Prison (PIR) and South Dakota Women's Prison – Unit E (PRE) and/or Pierre Community Work Center.

1. Transfer Orders for inter-institutional transfers will be coordinated and completed by authorized facility staff.

C. A Transfer Order is not required for transfers within individual facilities (intra-institutional).

3. Initial Assignment/Transfer:

A. The initial facility assignment of male inmates in the Admission and Orientation (A&O) unit at the JPA and female inmates from the A&O unit at the South Dakota Woman's Prison (SDWP) will be documented on the initial classification assessment in the Comprehensive Offender Management System (COMS) and approved by authorized staff.

B. Inmates scheduled to transfer from the A&O units will be entered in the Movements Module of COMS by unit staff (See [Attachment 1](#)).

4. Inter-Institutional Transfer:

A. Unit staff may initiate inter-institutional transfer of an inmate.

B. Unit staff of the sending facility will enter the transfer information in the Movements Module of COMS.
