II Policy:

The Department of Corrections, giving due consideration to public safety, may allow eligible inmates unsupervised access to the community for certain pre-approved purposes, through a department managed furlough program.

III Definitions:

Bedside Visit:

The act of an inmate visiting an immediate family member who is seriously ill or injured and is receiving emergency medical care and is under the direct care of a physician. Includes those diagnosed with a terminal illness that is reasonably expected to result in death within a short period of time. May be at a facility or private residence, provided the family member's condition has been verified with proper authorities.

Furlough:

A furlough is the authorized absence of an inmate from DOC custody for an approved reason. An inmate released to furlough remains under the legal custody of the Department of Corrections. A furlough is a privilege, not a right, and will not be granted automatically.

Immediate Family:

For the purpose of this policy only, an inmate's spouse, children (biological, legally adopted or step-children), parents, step parents, siblings, step siblings, grandparents, grandchildren, or at the discretion of the Warden or his/her designee, a relative who was the inmate's primary care giver are eligible for funeral or bedside visits from an inmate. Relationship of the immediate family member to the inmate will be verified by staff through available records and/or information.

IV Procedures:

1. Inmate Eligibility:

- A. Inmates must meet the following eligibility criteria at the time of their request to be considered for a furlough:

1. Must be minimum custody status and currently assigned to and residing in, a minimum custody facility (includes contract facilities) (See DOC policies 1.4.B.2 *Male Inmate Classification* and 1.4.B.14 *Female Inmate Classification*).
 2. The inmate's behaviors and history proximate to the request must support a reasonable belief that, if released on furlough status, the inmate will return to the facility at the pre-approved time and date and follow all conditions set forth by the DOC regarding the furlough (SDCL § 24-2-25).
 3. The inmate has arranged for his/her own transportation to and from the facility, and currently has the means to provide for all personal expenses and needs while placed on furlough.
 4. The inmate does not have an active felony warrant, hold or detainer listed within a current warrants check. This must be confirmed with Central Records. A current NCIC III criminal history report for the inmate shall be obtained and reviewed as deemed necessary.
- B. Any inmate who misleads the DOC in any way during the application process or while released on furlough, may have his/her furlough rescinded or denied. The Warden may order the immediate return of any inmate released on furlough.

2. Reasons:

- A. Qualifying minimum custody inmates may be granted a furlough for the following reasons:
1. For a bedside visit of an eligible person who is terminally ill or seriously injured and is receiving emergency medical care and under the direct care of a physician; or to attend the funeral of an eligible person.
 - a. Inmates will only be allowed one (1) bedside visit furlough per eligible person.
 - b. An inmate may be granted a bedside visit furlough and a second furlough to attend the funeral of the same eligible person, with approval from the Warden or designee.
 2. To receive health care services outside of the facility, as approved by Health Services. Includes medical, surgical, psychiatric, specialty/consult, or dental services (See DOC policy 1.4.E.2 *Medically Necessary Health Care*). Does not include elective procedures, unless deemed medically necessary by Health Services.
 3. To appear at a scheduled civil court proceeding before a grand jury, or comply with an official request/order to appear from the court, judge or prosecuting attorney.
 - a. When possible, DOC staff will assist in making arrangements for the inmate to participate telephonically/electronically from the institution, as permitted or directed by the court, judge or prosecuting attorney.
 - b. If an inmate is ordered to appear and testify in a grand jury hearing or criminal proceeding in a court located in another state, the judge within the jurisdiction where the inmate is housed or the South Dakota Attorney General, will direct the location and time when the inmate shall appear in that state (SDCL § 23A-14A-2).

4. For compelling reasons consistent with the public interest and mission and legitimate penological interests of the DOC. Such reasons are subject to prior approval by the Warden or designee.

3. Application and Approval Process:

- A. Minimum custody inmates may initiate a furlough request by contacting their unit team, or staff at the contract facility if placed at a contract facility and request a *Furlough Application* (See [Attachment 1](#)). The inmate must complete the application and return it to staff. Inmates with communication disabilities may request assistance from staff to complete the application.
 1. Staff will verify the inmate's eligibility and accuracy of all information provided on the application.
 2. Staff receiving the application will ensure a warrants check is completed and verify the inmate has no active felony warrants or holds (questions should be directed to DOC Central Records staff).
 3. If, after review, it is determined the inmate is not eligible for a furlough, staff will inform the inmate his/her application is denied.
 4. If it is determined the inmate is eligible for a furlough, staff will forward the completed application to the appropriate Associate Warden or Deputy Warden, or appropriate contract staff person if the inmate is placed at a contract facility.
- B. The Associate Warden, Deputy Warden or contract staff person will review the application.
 1. If the inmate's application is denied, this will be returned to the inmate's unit staff, who will in turn notify the inmate the application has been denied.
 2. If the application is approved, the Associate Warden or Deputy Warden will forward the application to the Warden.
 3. Contract staff will inform the inmate and designated staff at the facility of the decision to approve or deny the request.
- C. For inmates in DOC custody, final approval of the application shall be determined by Warden. Each request will be considered on a case-by-case basis, with careful consideration given to the safety of the community and the inmate's likely return to custody.
 1. The Warden or designee will notify the Associate Warden or Deputy Warden of his/her decision.
 2. The Associate Warden or Deputy Warden will return the application to the inmate's unit staff/contract staff, who will in turn notify the inmate of the Warden's decision.
- D. Applications approved by the Warden will be distributed as follows:
 1. The original furlough application will be sent to unit staff.
 2. A copy of the furlough application will be issued to the inmate. Inmates should be issued a copy upon release to furlough as well. Unit staff will retain the original application at the housing unit.

3. Staff will ensure the departure and return times are recorded on the original application, along with the transporter's signature (if applicable) and any additional comments and instructions specific to the inmate's release to furlough.
4. Upon the return of the inmate from furlough, the completed furlough application will be recorded in the Comprehensive Offender Management System (COMS).
5. The original completed furlough application will be sent to the inmate's case manager to be maintained in the inmate's institutional file.

 1. The staff member will verify the person the inmate intends to visit is eligible.
 2. The status of the eligible person's condition must be verified. Normally this completed by contacting the attending physician, medical facility, nursing home, hospice care provider, local law enforcement or funeral home. Verification must be completed prior to approving an inmate's request for furlough.
- B. Upon verification the person is eligible and the current status of the person, staff will notify the inmate.
 1. The inmate may be authorized to make a special telephone call (See DOC policy 1.5.D.4 [Inmate Access to Telephones and Tablets](#)).
