The Hunt is On!

Great fun and prizes await you in Pheasantland's first scavenger hunt.

Hidden around the area are several prizes. Each week, we will post a photograph and clue of their location on Pheasantland's Facebook page. All you have to do is search, find, and send us a photo on Facebook Messenger and take your prize home. There will also be a few prizes you can exchange at our office for bigger ones.

Good Luck and Happy Hunting!

Meet Our Dynamic Duo

Pheasantland plays host to college interns each year and our newest crop of marketing interns has really hit the ground running.

Carter attends the University of South Dakota majoring in sports media and marketing with a minor in business administration. Eleni is at Minnesota State University at Mankato with a major in mass media and a minor in marketing. Both are seniors and are already making their mark!

WORK IN PROGRESS

New Digs

The next time you come in for a tour you may notice a lot of changes to the layout of our main building in Sioux Falls, one of which is the new work space for the Braille Shop. A special thanks to our team at the Carpentry Shop who have been hard at work making it ready.

OUR CUSTOMERS

PI's products and services are available to state employees, governmental entities, schools, churches, and non-profit organizations operating in South Dakota.

STAY CONNECTED.
