JUN 21

G U A R A N T E E

GET OUT AND EXPLORE THE **Great Outdoors**

OPENING DAY - JULY 13<sup>TH</sup>

Join us for more great fun and prizes in Pheasantland's Second Annual Summer Scavenger Hunt.

Bigger and better than last year, we wanted this summer's event to motivate our friends, customers, and partners in service to explore the great outdoors and everything our community has to offer. Team Pheasantland challenges you to live out loud in turning the page on what has been a challenging year. So, recruit your whole family or a group of friends or co-workers to join you for an adventure where fun and treasure await.

## LET'S GET STARTED!

### Here's How to Join the Fun -

Coordinating this year's contest are Mercy Oyadare and Emma Nelson, our talented team of marketing interns. There are some differences from last year's format where clues were posted on social media and the prizes were hidden at various sites throughout the community.

**Starting on July 13, 2021**, Emma and Mercy will post clues each day thru July 15th on Pheasantland's social media platforms. If you're confident of where the clues guide you to, please snap a photo there, then post and tag your guess on any of our social media channels. Those with correct submissions will be contacted to claim their prizes.

find it.

snap it.
