Proud to Do Our Part.

Pheasantland Shops team up to produce personal protective equipment.

Pheasantland is deploying its workforce to fill nationwide shortages of personal protective equipment for our team members, customers and partners in service. Workers at the Garment Shop in Springfield are making cotton jersey face masks and nylon gowns, while our Print, Upholstery, and Metal Shops in Sioux Falls are working together to create reusable and disposable face shields. The PPE items produced by Pheasantland Industries will also be made available to other governmental agencies and nonprofit organizations.

If you would like more information on our PPE items contact Dustin Pischel in Springfield, or James Elledge in Sioux Falls.

Temporary Barriers

Recently, James's team at the Metal Shop fabricated this temporary plastic partition for the dining room at the Jameson Prison Annex in Sioux Falls.

COVID 19
CORONAVIRUS DISEASE 2019 (COVID-19)

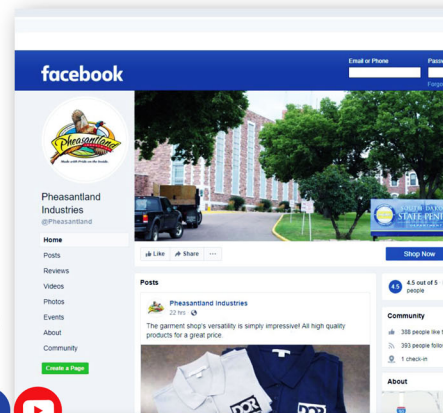

You can help prevent the spread of respiratory illnesses with these actions:

- Avoid close contact with people who are sick.
- Avoid touching your eyes, nose & mouth.
- Wash hands often with soap & water for at least 20 seconds.
