This includes self-employment, owning a business, holding any elected or appointed public office, or holding a position in a public party or organization.

### IV Procedures:

#### **1. General Standards for Outside Employment for DOC Employees:**

- A. DOC employees will not engage in outside employment that is not compatible with the full and proper discharge of the employee's duties and responsibilities within the DOC, or presents a conflict of interest with the employee's employment with the DOC. Outside employment will not interfere with or impair and employee's capacity to perform his/her DOC job duties in an acceptable manner.

- B. Outside employment will not occur during hours which the employee is scheduled to work for the DOC, unless the employee has requested and been approved for leave.
- C. Employees will not use DOC materials, supplies, property, equipment or resources for, or in connection with, outside employment.
- D. Outside employment will not be incompatible, create a conflict of interest, impair or create an appearance of impairing, an employee's independence of judgement or action while performing assigned DOC duties. Example:
  - 1. DOC employees will not occupy a management or decision-making position with an outside employer that is currently engaged in business, or actively aspiring to engage in business with the DOC/state, nor may a DOC employee use his/her position with the DOC to influence any relationship between an outside employer and the DOC.
  - 2. A DOC employee that engages in uncompensated outside employment that arises out of, or is in any way connected with the employee's position within the DOC, including knowledge gained therein, is required to receive prior supervisory approval before engaging in such outside employment. Any such involvement shall be consistent with all applicable state laws.
- E. Outside employment may not demean the employee's position or status with the DOC, discredit the employee's position as a public servant, or constitute a threat to the dignity of Corrections as a professional occupation. Example:
  - 1. Employment in any establishment that derives over one-half of its total income from the sale of pornographic or sexually-oriented materials, (books, magazines, sexual devices, videos) or where sexually-oriented entertainment and/or services are sold, observed or generally engaged in or offered.
  - 2. Employment with an employer found to be willfully and negligently operating in violation of applicable local, state or federal laws or contrary to established regulations.

## **2. Required Authorization for Outside Employment:**

- A. Prior to engaging in outside employment, employees must disclose to their supervisor their intent to engage in outside employment. Employees may be required to obtain written permission from their supervisor and the Warden, Director or designee by submitting an Outside Employment form (See [Attachment 1](#)). Completed forms which contain only vague, general descriptions and details of the outside employment may be denied.
  - 1. Permission to engage in outside employment may be revoked anytime by the approving authority, if it is determined an employee's engagement in outside employment is not in the best interest of the DOC or contrary to the legitimate penological interests of the DOC.
- B. DOC employees engaging in outside employment may be required to have a completed Outside Employment form on file with the unit's Bureau of Human Resource office, at the discretion of the approving authority.
- C. DOC employees engaging in outside employment must disclose any actual or potential conflict of interest related to their outside employment as soon as they become aware of a conflict. Employees must promptly inform their supervisor anytime they become aware of changes in the conditions of the outside employment that are contrary to this policy.

- D. The provisions of SDCL § [3-8-3](#), SDCL § [4-3-9](#) and ARSD § [55:10:01:06](#) apply (See [Attachment 2](#)).

### **3. Limitations and Restrictions:**

- A. To be eligible for outside employment, the employee must, after review and consideration by the approving authority, be in good standing with the DOC.
1. Employees who have utilized excessive sick time, have a poor attendance record, low leave balance or significant history of disciplinary action, may have approval for outside employment terminated or rescinded, or their request for outside employment denied. The DOC may apply certain limits, restrictions, requirements or conditions upon approval of an employee's request for outside employment.
- B. Requests by an employee to engage in outside employment may be denied if any of the following conditions exist at the time of the request:
1. New employee (full or part time) on probation.
    - a. Does not apply to new employees already engaged in outside employment upon entering employment with the DOC. Employees must disclose outside employment to their supervisor upon hire or assignment to the DOC.
  2. Employees on extended leave.
  3. When compelling evidence exists supporting the outside employment will likely contradict the policy, mission or legitimate penological interests of the DOC.
  4. When outside employment is incompatible or inconsistent with the employee's performance of his/her assigned DOC duties; or the employment negatively interferes with or affects the employee's position within the DOC.
  5. When the hours of the outside employment are likely to impair the DOC employee's ability to efficiently perform or complete assigned duties or responsibilities within the DOC. Employees assigned to on-call duty with the DOC and those required to report to duty during emergency situations by the DOC, are required to be available as instructed by their supervisor and fully comply with and fulfill their DOC job duties and responsibilities.
- C. The restrictions and limitations described herein are not intended to be all-inclusive and do not exclude or excuse any employee misconduct not included in this policy.
- D. The employee's supervisor is responsible for monitoring the impact of the outside employment on the employee's performance of his/her DOC duties. The supervisor has authority to recommend to the approving authority that the employee's approval to engage in outside employment be suspended, revoked or denied.
- E. The Warden, Director or Secretary may direct supervisors to conduct annual reviews of employees approved for outside employment to verify the employment remains compatible with the full and proper discharge of the employee's duties and responsibilities within the DOC. Employees may be required to renew their request for outside employment, as directed by the Warden, Director or Secretary.
- F. Neither this policy nor its application may be the basis for establishing a constitutionally protected liberty, property or due process interest in any employee.
