

Assaults on Staff

Performance Based Measures Systems Definitions:

Inmate on Staff Assault with serious injury: A serious injury requires urgent and immediate medical treatment and restricts the staff's usual activity. Medical treatment should be more extensive than mere first aid, such as the application of bandages to wounds; it might include stitches, setting of broken bones, treatment of concussion, etc.

Inmate on Staff Assault without serious injury: Assault on staff that did not result in serious injury

Facility	Classification Level	Assault on staff with Serious Injury					Assault on staff without Serious Injury				
		CY 13	CY 14	CY 15	CY 16 thru April	CY 13	CY 14	CY 15	CY 16 thru April
