Customizable Calendars

How it Works (11.5" x 8.5")

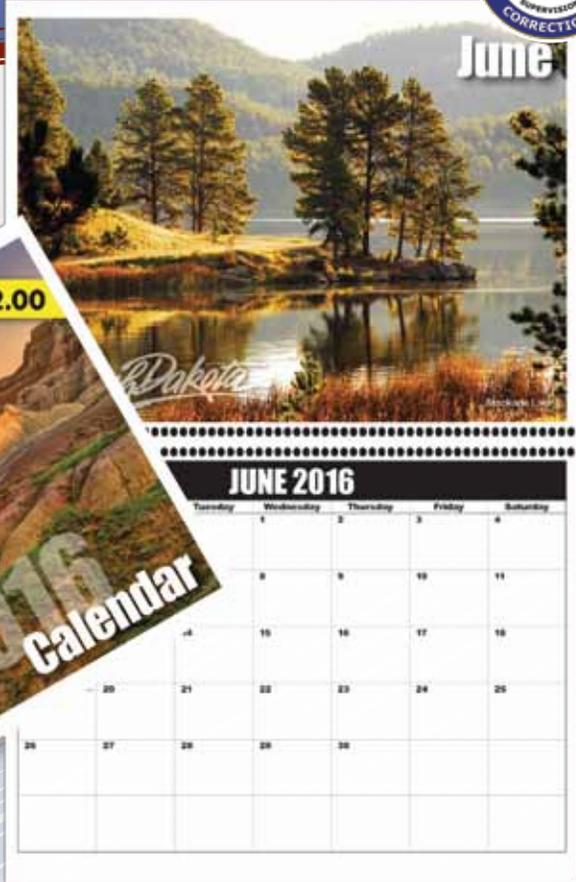

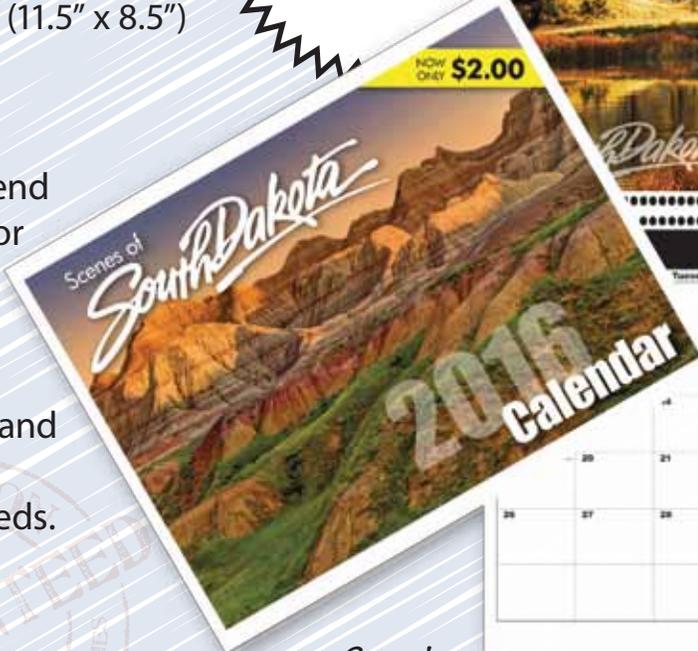

Develop a theme for your organization or group and send us your photographs, logos or artwork.

(300 dpi or greater for submitted photographs or graphics files is preferred)

We work with you to design and layout a full-color custom calendar that meets your needs.

We won't print until you are satisfied with the final proof. And, as always, *Satisfaction is Guaranteed.*

Starting at **\$2.00** each
