doc.sd.gov/adult/industry

Get your spellbooks rebound, your broomstick reupholstered, and your friendly attic ghoul a new set of chains to rattle. Pheasantland Industries wishes you a Happy Halloween! Besides having to buy candy for all the trick-or-treaters, there are other items one needs during the chilly fall season. Animals begin to have thick, fluffy coats, and trapping season begins. The South Dakota Housing Conference is in October, so be sure to look into our variety of cabinets. We are now offering a new line of chairs through a new manufacturer. There is still a 10 year warranty on all chairs, and we hope for a quicker product turn-around, with still the best quality. October is a great month to order a range of PI products! Call 605-367-5111 or visit doc.sd.gov/adult/industry.
