

Pheasantland INDUSTRIES

Braille Unit Recognized

On April 20, Colleen Kirby from the State Library presented certificates of appreciation to Pat Gacke and workers of the Braille Unit. The Library of Congress recognized the Braille Unit for their valuable services rendered in support of the national program for the blind and physically handicapped readers. Deputy Warden Daryl Slykhuis and PI Director Owen Spurrell were also on hand for the presentation.

Product Spotlight

Weighted Products

Our Garment Shop will custom-make weighted blankets, pillows and neck snuggles. Weighted products are widely used as therapeutic devices for children and adults with sensory conditions. We will work closely with you and your doctor or physical therapist to provide an individualized product that will meet your special needs. Our products are filled with sanitary machine washable and dryable poly pellets. Give Pat a call at our Garment Shop at (605) 369-4426 for more information.

Textbook Restoration

With summer approaching now is the time to send those worn and torn textbooks over to our Bookbindery to have them restored to their former glory. We can repair the cover and interior pages at a fraction of the cost of purchasing a brand new book. Give Derek a call at (605) 367-5064 to get your order in.

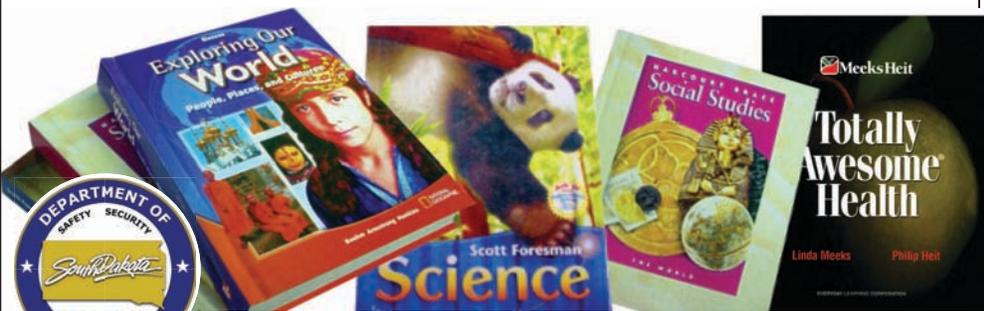

Director's Corner

Following decades of service Owen Spurrell has retired from state government and moved on to other pursuits. Prior to taking the helm of Pheasantland Industries Owen worked as a corrections officer, working his way up through the uniformed ranks, last holding the rank of colonel before becoming an associate warden.

During Owen's stewardship, PI introduced new products, streamlined its operations, and expanded its marketing efforts to include a revamped website and a new presence on Facebook. We thank Owen for his invaluable service and wish him well in his future endeavors. In the interim, feel free to contact any of our shop supervisors directly or visit our website or Facebook page for more information on products and services.
