

# Director's Note

Hunting seasons are coming up soon and it's time to order some things to make your hunting partner safe and comfortable. Your dogs work hard for you so wouldn't it be smart to order a vest to make him/her more visible to other hunters and to have a nice soft washable cushion for their kennel? Take good care of them and they'll take good care of you.

We provide product and services to South Dakota governmental entities, non-profit organizations and state employees.

The Sign Shop at Pheasantland has great capabilities of producing large signs. If you are interested in increasing the visibility of your school or organization give us a call today. The combination of our color, sizes and graphic design possibilities will surely make your sign pop. Contact James in the Sign Shop to get started!

## Dog Vests

Our durable dog vests are great to bring the man's best friend along hunting. Made of nylon with multiple D-rings for attaching leashes, the vests come in blaze orange, black and camo. A chest protector can be added for \$7.

## Pet Pads

Pamper your pet with custom Pet Pads from Pheasantland. We can create the ultimate sleeping experience with a comfy pet bed. Choose from different sizes and even color. Perfect for kennels or right next to the fireplace.
