### **Inmates Planting Trees, Cleaning Up at Lake Thompson**

(Pierre) - State prison inmates are assisting with several projects at Lake Thompson over the next month.

Six inmates from the Redfield Trusty Unit are planting trees, pulling weeds from tree belts and trimming trees over the next three to four weeks at the Lake Thompson State Recreational Area.

The seedlings are being planted to replace those trees that were destroyed by a hailstorm last year along the north shore area of Lake Thompson.
