Inmates assisting in Yankton clean up project

Pierre, S.D. - State prison inmates are assisting with a major clean up project in Yankton this month.

Inmates and staff from the Yankton Minimum Unit will take part in the third annual Missouri River clean up at Yankton's Riverside Park on May 20th. Hundreds of volunteers are expected to take part in the event.

Inmate crews will get a head start on the clean up by helping to remove old tires from the riverbank beginning on Monday, May 15th. That portion of the clean up project is expected to take one to two days to complete.
