I. POLICY

It is the policy of the South Dakota Department of Corrections (DOC) that the records of individual offenders, facilities, staff, and agency operations are the property and responsibility of the DOC. Certain records held or created by the DOC are deemed confidential. Offenders may access public records in accordance with state law (SDCL § 1-27), consistent with DOC policy and administrative rule. The provisions of this policy do not supersede more specific provisions regarding public access or confidentiality of records cited elsewhere in state or federal law.

II. PURPOSE

The purpose of this policy is to establish procedures for maintaining the security and confidentiality of DOC facilities and offenders, while promoting the exchange of information as requested by offenders while in the custody of the DOC.

III. DEFINITIONS

Custodian of Records:

The person who maintains the record.

Public Record Officer:

The secretary of the Department of Corrections (DOC) or designee, to which an official request for a record is directed (SDCL §§ 1-27-42 and 1-27-43).

Record:

Includes all documents, regardless of physical form, belonging to the state, agency, department, commission, council, or committee.

IV. PROCEDURES

1. Offender Requests for Records:

- A. Offender requests for records may be initiated by contacting unit staff, the offender's supervising parole agent, or other person or entity with authority over the record(s) requested by the offender.

- B. Those receiving the request shall determine the person or entity with authority to review and respond to the offender's request. If the request is for access to public records that are not part of the offender's records, the request may be forwarded to the custodian of the record or designee.
1. The custodian or designee shall consider the request and determine an appropriate response, which may include charging the offender a fee of up to five cents (\$0.05¢) per copy/sheet. If the request is for public records, and the estimated time to locate, assemble, and reproduce the record is projected to exceed one (1) hour, the offender may be assessed an additional fee. The identified record(s) may be held until payment has been received by the DOC (SDCL § 1-27-35).
 2. If the offender's request for public records is projected to exceed fifty dollars (\$50.00) in total costs, the custodian shall provide an estimate of the cost to the offender prior to assembling the record(s). The custodian shall wait for written confirmation from the offender stating his/her acceptance of the cost and agreement to pay the cost (SDCL § 1-27-36), before locating, assembling, and reproducing the requested record(s).
 - a. Upon receipt of written acceptance from the offender, staff will assign the actual cost to request. The offender will be informed of the actual cost and shall submit payment for the costs due.
 - b. The custodian may exercise discretion in waiving or reducing the cost associated with fulfilling the records request, if determined to be in the public interest (SDCL § 1-27-36).
- C. An offender's request for a record held by the DOC may be denied if release of the record is contrary to state or federal law, rules regarding public access, DOC policy, or contradicts the legitimate penological interests of the DOC.
1. Information or records that could be used to locate or harass an offender's victim(s) or family; or that disclose confidential or privileged information about the victim(s) or family, will not be released to an offender.
- D. If an offender's informal request for a public record is denied in whole or part by the custodian, a formal written request may be made by the offender and sent to the public records officer (SDCL § 1-27-37).
1. The public records officer will respond in writing to the offender's written request no later than ten (10) business days from receipt of the request. The response will state one of the following:
 - a. Approval of the request, in whole or in part. The records may be provided immediately or held, subject to receipt of payment for the designated cost, or
 - b. Denial of the request for records - which will include a written statement of the reasons for the denial, or
 - c. Acknowledgement of receipt of the request and an estimate of the time and any known costs to respond to the request.
 - 1) If the request is unclear, the public record officer may require the offender clarify the request or provide additional information about the request. If the offender fails to respond within ten (10) business days, no further action is required by the public records officer.
 2. If the public records officer fails to respond to an offender's written request within ten (10) business days, the request shall be deemed denied.
- E. The custodian, or the public records officer, or designee shall maintain a record of all requests for records which are denied (SDCL § 1-27-1.4).
- F. In response to any offender request for records described within chapter 1-27, the public records officer may redact any portion of a record provided to an offender which contains information precluded from public disclosure, or any portion, which if released, would unreasonably invade personal privacy, threaten public safety or security of the institution, or disrupt the normal operations of the DOC (SDCL § 1-27-1.10)
