## Print Products

With the addition of a 63-inch wide format printer, the Pheasantland Print Shop now offers a wider range of custom-sizing options and an expanded product line for our customers to choose from. Take a look at samples from recent projects and feel free to contact Zaide about any project you have in mind.

## Custom Decals

As part of a public awareness campaign our design team and customer came up with an amazing way to get the message out.

These ambulance decals were printed on a special 60/40 perforated window film that displays a full-color graphic on the outside while retaining the ability to see out.

▲ **120" X 48" WALL DISPLAY.** A follow-up to the historical timeline designed for the state penitentiary, we designed this one for a state facility to commemorate an anniversary. Printed on durable vinyl with a high gloss laminate applied and rolled onto aluminum.

## Banners & Posters

With numerous materials and finishing options to choose from - paper, canvas, adhesive vinyl, window film, laminate, etc. - we are able to print posters, banners and indoor-outdoor signage in a variety of custom sizes.

Send us your print-ready artwork or work with our team of graphic designers and let us help you to create a look that will set your organization or event apart.

Check out these other decals and clings.

## Retractable Banners

Using a full-color retractable banner is a great way to display your brand or message at community, business, or industry events.

Various sizes available.

## UPCOMING EVENTS

June 11-12  
**MTSS Conference**  
 Oacoma

## OUR CUSTOMERS

PI's products and services are available to state employees, governmental entities, schools, churches, and non-profit organizations operating in South Dakota.
