SOUTH DAKOTA DEPARTMENT OF CORRECTIONS

# About

**Our Mission:** *Pheasantland Industries is a division of the Department of Corrections. We produce high quality, low cost products for South Dakota governmental entities, federal agencies, nonprofits, and state employees. Our goal is to reduce recidivism by providing incarcerated individuals with workforce development opportunities and valuable work experience that will equip them for successful reentry into society.*

Pheasantland Industries is dedicated to providing the various agencies that serve the communities of South Dakota with the products and services they need to be successful. We can work with you to provide you with various products and services for your organization as well as create custom products that suit your needs.

Pheasantland Industries has been home to a number of industries that have come and gone over the years such as twine manufacturing, a tailor shop, cobbler shop, rag rugs, and farming operations. The one shop everyone asks about is the license plate shop which has been in operation since 1929. While license plates may be the classic corrections industry staple, Pheasantland Industries provides a variety of products and services.

Currently we have a braille shop, upholstery shop, carpentry/custom Carpentry shop, print/bookbindery shop, license plate shop, machine Shop and a DOT/DOC sign shop located at SDSP in Sioux Falls. Our garment shop is located at Mike Durfee State Prison in Springfield, SD.

Miscellaneous

## Mattresses

Clear 3-ply PVC anti-bacterial with flame and mildew resistance reinforced denier. The foam is a 1.8 lb. density with a flame retardant additive that meets CA117 guidelines.

Prices for new mattresses:

4" x 25" x 75"	\$67.16
4" x 30" x 75"	\$76.67
4" x 34" x 75"	\$83.97
4" x 35" x 75"	\$85.94
6" x 36" x 75"	\$128.05

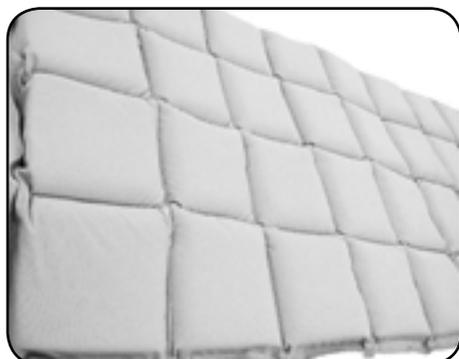

Recovering any size mattress is \$35

We can build in a high resilient soft foam pillow for an additional fee, call for pricing.

## Security Mattress

2" foam quilted in a rip-stop nylon denier with a urethane back coating stitched four times around the perimeter to help ensure it isn't easily ripped open and used for self harm. It is then sewn into 7" x 8" squares to help prevent stripping.

Call for pricing

## Chemlux Pillows

Constructed using a denier nylon fabric coated with fluid resistant healthcare coating. Non-allergenic, and flame retardant with bacteria and fungal resistance.

16" X 22"  
\$4.00

## Pillows

Constructed using a denier nylon outer fabric coated with a polyurethane underneath. This product is flame resistant, antibacterial and mildew resistant.

16" X 22"  
\$4.00

## Weight Bench Pads reupholstered

High quality material and a rugged construction holds up to the most intense free weight and body weight workouts.

Sound Panels

Great for gyms, cafeterias, band rooms or any other space where excessive sound is an issue!  
Can custom order to different sizes and colors

We can upholster a wide variety of items!

We deliver top-quality upholstery repair services for jobs both big and small. We can fix small rips, burns and tears as well as completely reupholster your furniture and equipment.

# Reupholstery & Refurbishing

We can restore and refinish your favorite chairs and home furniture. We are able to replace the old material and make your furniture look good as new. The shop also produces and reupholsters foam mattresses.

## Sapphire Seating (Level One)

\$249

Sapphire's wide seat and back supports and wraps around users. The waterfall seat increases comfort and allows for unrestricted circulation. Sapphire Level One is equipped with a swivel seat, seat-height adjustment and a back-depth adjustment. Choose from an armless chair, fixed cantilever T-arms or fully adjustable T-arms that adjust vertically and horizontally. Arms can be specified as poly or as a contoured padded urethane option.

## Consult (Executive Seating)

\$519

The Consult Executive Chair provides you with a finely sculpted, tailored piece of furniture that allows you to choose the options that make it the perfect fit for your office. The Consult is available as a 45inch high back or a 38inch low back version with your choice of upholstery. Coordinating fabrics panels can be used on the arms and back for greater visual impact, and the back can be tufted by an upholstered wooden button, if desired. Even the five-star base of the chair can be customized. It is available in durable fiberglass-reinforced nylon, sleekly modern polished aluminum, or warm, traditional stained wood. The wood option can be further specified with beveled or rounded edges

Ithaca

\$359

Synchronous mechanism with back angle lock lever features a smooth 2:1 ratio - Seat height adjustment - 5 star reinforced base - Easy access tilt tension knob - Thick, yet supportive molded seat cushion - Built-in lumbar support - Three inches of back height adjustment - Available in Black frame only - Seat depth slider - Option of carpet casters or hard floor casters - A variety of arm options to choose from: no arms adjustable task arms pivot arms

Alt 3 Fabric Task Chair

\$410

Adjustable Back Tension- customizes the force needed to recline in the Mesh Back and Fabric Task chair. Back Detail - adds visual interest to the chair's profile and structural support for its automatic lumbar system. Back Motion - provided by the automatic lumbar support system is unlike any other task chair.

Today's fast paced office is the perfect place for the contemporary style and unmatched comfort of Breathe Seating. The sleek styling of the high-back task chair makes it a perfect addition to any organization. The Breathe Seating line features a beautifully sculpted polypropylene back structure wrapped with a double layer of nylon mesh fabric that offers the ultimate in support and breathability.

The adjustable lumbar pad is built into the chair frame for added durability on Breathe Task Chairs. A contoured foam seat covered with the same soft and durable 2-ply athletic mesh improves ventilation and reduces fatigue. For even more comfort, users can adjust the seat height and back tension of the chairs with an easily accessible knob and lever beneath the seat.

Breathe

\$406

Adjustable lumbar support - Mesh back provides comfort, breathability and durability - Adjustable tilt tension - Positional lever will lock chair in several positions or release for free-float option - Durable nylon-molded 5-star base - Seat height adjustment - Soft, contoured seat with waterfall front edge - Height adjustable arms with soft polyurethane pads - Carpet Casters, Hard Floor Casters, or Glides  
DIMENSIONS Overall: 27 1/2 W x 25 D x 44 1/4 H Seat: 21 5/8 W x 19 1/2 D Back: 22 5/8 W x 24 H

3M Engineer Grade Reflective Sheeting meets ASTM D4956 Type I and is an enclosed lens, pressure sensitive adhesive-coated sheeting with an easy release liner, intended for production of non-critical traffic signs and pressure sensitive stickers.

3M High Intensity sheeting with pressure sensitive adhesive is a reflective sheeting with a unique construction providing high levels of retroreflectivity for multiple traffic situations

3M Diamond Grade™ Reflective Sheeting offers industry-leading retroreflectivity, conspicuity and legibility because of its highly efficient retroreflective optics. It helps improve safety by providing higher luminance values at distances most critical to drivers.

# Vinyl Decals

Single Color decals as low as \$0.04 per sq. inch  
Full Color photograph quality available.

Whether it is vinyl decals for a vehicles, equipment, helmets, or wall posters, we can produce them here. You provide the concept and basic design and we can take it from there to give you a finished, professional looking decal.

# Adhesives & Window Clings

Many organizations will have small adhesives on hand with their logo for use as equipment identification. State, county, and local agencies can clearly mark their vehicles with vinyl decal packages. Adhesive Posters can dress up empty wall space or relay valuable information to your clients. They can also be custom cut to serve as window coverings or you can put window clings with your logo on part of a window. Clings are easily removable and re-usable.
