Featured Shop Book Bindery

Dial 367-5064, and you will most likely be greeted with "Good morning (or afternoon), Pheasantland Print Shop and Book Bindery." The book bindery has a relatively small staff when compared with the printing side of the operation, but it has earned equal billing. Whether assisting you in cataloging records or breathing new life into a schoolbook or family heirloom, Zaide and his team at the Book Bindery have the experience to tackle your current or future project needs. Take a look at some of the services we offer and feel free to visit with Zaide about any project.

Binding Service

Let the Book Bindery help you organize and archive your loose publications and paper records by binding them in hardcover book form with printing on the cover and spine.

Features:

- Size: We correctly size each book to match the size of the materials set for binding.
- Side sewn, hand sewn, or perfect binding used.
- Contact us with your project specifications and we will provide a pricing and production time estimate.

School Textbooks

Most school districts wait until the end of the academic year before sending their textbooks to be refurbished in our Book Bindery, so start planning ahead. Our goal is to have your books ready before school starts back.

2019 RATES
\$16 Student Ed.
\$18 Teacher Ed.

Book Refurbishing

- 1 Contact us and we will arrange to inspect your book. We exam each book because no two are the same.
- 2 We contact you back regarding our findings with a cost and time estimate to refurbish the book.
- 3 Depending on our workload your project could take anywhere from several weeks to several months to complete.

OUR CUSTOMERS

PI's products and services are available to state employees, governmental entities, schools, churches, and non-profit organizations operating in South Dakota.

STAY CONNECTED.
